Ni'ihau Place Names John R. K. Clark, 2023-10-31 The story of Ni ihau has been told many times by many people but Ni ihau Place Names adds new information to the island s history from a unique source Hawaiian language newspapers From 1834 to 1948 approximately 125 000 pages of Native Hawaiian expression were printed in more than 100 different newspapers John R K Clark has gathered and edited a large collection of invaluable articles that recorded daily life on Ni ihau events and topics of interest and the island s place names Additionally Keao NeSmith a Native Hawaiian of Kaua i and an applied linguist translator and researcher fluent in lelo Hawai i translated each passage into English Most of these excerpts have not appeared in any other publication Ni ihau is unique in the state of Hawai i because it is the only island that is entirely privately owned In 1864 Kamehameha V the monarch of the Kingdom of Hawai i sold the island to the Sinclairs a wealthy immigrant family looking to establish a ranching business Descendants of the Sinclairs still own the island today Diverse opinions about the sale of Ni ihau were published in newspapers across the Hawaiian Islands and this book traces the development and aftershocks of that historic event Ni ihau Place Names contains over thirty kanikau dirges poetic chants written and published from 1845 to 1931 to honor deceased Ni ihau residents These compositions of deep emotion are treasuries of language history genealogy cultural knowledge and especially place names Another important contribution in this volume is the identification of lelo no eau proverbs and poetical sayings with demonstrations of their use in everyday conversation The book is divided into two main sections Ni ihau Place Names is an alphabetical list of prominent place names on the island accompanied by relevant passages in Hawaiian and their English translations The list also includes Lehua the small island near the northwest tip of Ni ihau Ni ihau History is an additional collection of articles that includes many lesser known place names and elucidates other topics deemed worthy by reporters and contributors of the time Following the main text readers will find helpful indexes of general terms place names and personal names

Decentralization and Governance in Indonesia Ronald L. Holzhaecker, Rafael Wittek, Johan Woltjer, 2015-09-11 Indonesia over the past two decades has embarked on a process of decentralization as part of a broader process of democratization which followed earlier periods of

centralized governance and authoritarian rule across the archipelago The purpose of this book is to begin to explore the connections between governance and sustainable society in a wide variety of policy fields in Indonesia and how reforming governance structures may contribute to societal benefits and the creation of a long term sustainable society This book bridges important theoretical debates related to governance and sustainable society and provides empirical research from Indonesia in important policy areas related to this debate By placing research in different policy areas in a single volume the link to the broader concepts of governance decentralization and societal outcomes is strengthened The book builds on the recent interest that has focused on Indonesia and the continued development of democracy in the country The chapters in the book show a rich variety of decentralized governance arrangements and capacity building at the local level in particular Central standards for example for social sustainability anti corruption arrangements or for dealing with direct foreign investment combined with local innovation for example for municipal coordination of primary health care or metropolitan transport are key to Indonesia as a country in a continuing process of transformation We identify three key trends in the on going process of decentralization and governance in Indonesia First we find that formal governance the relation between the national and local government is characterized by a system of variable geometry multi level governance depending on the policy area The challenge ahead is strengthening accountability mechanisms to assure national standards while preserving and encouraging local innovation Secondly informal governance mechanisms are evolving to move from hierarchical to network forms of governance Here the challenge is to insure democratic input by citizens and civil society organizations Finally we identify a trend toward shared value creation and sustainable cooperation Indonesia is beginning to move from a rather singular policy focus on economic growth to a more complex and developing notion of policymaking for inclusive growth and the creation of a sustainable society for present and future generations Here the challenge is sound implementation and to increase the effectiveness of governance mechanisms There is also a noted diffusion of goals to focus beyond the Jakarta metropolitan area to smaller regional cities as urbanization continues and rural areas are changing This book will be of interest for use in advanced undergraduate and graduate courses related to Southeast Asia in the fields of international relations political science public administration economics law sociology education public health and the spatial sciences It will also be of interest to policymakers and government officials at the national and local level in Southeast Asia and middle income developing countries officials and policymakers in institutions of regional governance such as the Association of Southeast Asian Nations ASEAN and of global governance such as the United Nations and World Bank It will also be of interest to civil society organizations and other actors focused on policy development and economic development health education the environment sustainable transport etc The book will also be of interest to business people interested in economic and governance issues such as the management and governance of in bound foreign investment inclusive growth and corporate governance Finally the book should be of interest to citizens in advanced middle income and developing

countries motivated to learn more about the links between governance and the creation of a sustainable society for current and future generations
