Candis Pizzetta Lawrence Sledge RaShell R Smith Spears Joseph Martin Stevenson Seretha D Williams and Karen C Wilson Stevenson *Redefining Liberal Arts Education in the Twenty First Century* delves into the essential nature of the liberal arts in America today During a time when the STEM fields of science technology engineering and math dominate the narrative around the future of higher education the liberal arts remain vital but frequently dismissed academic pursuits While STEAM has emerged as a popular acronym the arts get added to the discussion in a way that is often rhetorical at best Written by scholars from a diversity of fields and institutions the essays in this collection legitimize the liberal arts and offer visions for the role of these disciplines in the modern world From the arts pedagogy and writing to social justice the digital humanities and the African American experience the essays that comprise *Redefining Liberal Arts Education in the Twenty First Century* bring attention to the vast array of ways in which the liberal arts continue to be fundamental parts of any education In an increasingly transactional environment in which students believe a degree must lead to a specific job and set income colleges and universities should take heed of the advice from these scholars The liberal arts do not lend themselves to the capacity to do a single job but to do any job The effective teaching of critical and analytical thinking writing and speaking creates educated citizens In a divisive twenty first century world such a citizenry holds the tools to maintain a free society redefining the liberal arts in a manner that may be key to the American republic

The Last Guy on Earth Sarina Bowen, 2025-02-18 One cold December day two men are blindsided by a hockey trade one is the most decorated goalie in the league while the other one is the youngest coach in the majors Jethro Hale is the last player Coach Clay Powers wants to see on his roster but the GM pulls a fast one And it's not like he can even explain why Nobody knows about their love affair fifteen years ago Cue the all star awkwardness the painful memories and the reawakening of deep feelings on both sides Unfortunately their attraction still burns brightly But it can never be A player and a coach The scandal would overshadow the team's banner year If only they could resist each other If you love grumpy heroes high stakes hockey struggling single parents and smoldering kisses grab your copy of *The Last Guy on Earth*

Social Media Marlynn M. Griffin, Cordelia Zinskie, 2021-09-01 Social media is a multi faceted tool that has been used by educators and or their students in ways both beneficial and detrimental Despite the ubiquitous nature of this tool there is much research still needed on the multitude of ways that social media impacts education This book presents research on the influences of social media on education broadly construed Specifically the research included in this book is categorized into four broad areas examining the educational influence of social media on youth and college students professional development in content areas higher education learning and social justice and activism Chapter authors emphasize the opportunities of social media use in education and provide recommendations for how to address challenges that may arise with social media integration into the teaching and learning setting These authors also advocate for use of social media to grow and enhance professional interaction among educators moving beyond the social aspect of these platforms to advocate for educational and societal change Individuals working in K 12 schools teacher
