Microsociology Discourse Emotion And Social Structure

Katharina Scherke

Microsociology Discourse Emotion And Social Structure:

Emotions, the Social Bond, and Human Reality Thomas J. Scheff, 1997-09-04 This book first published in 1997 offers an approach to researching human behavior relating details of interaction to social structure *Microsociology* Thomas J. Scheff, 1990-06-15 Moving beyond the traditional boundaries of sociological investigation Thomas J Scheff brings together the study of communication and the social psychology of emotions to explore the microworld of thoughts feelings and moods Drawing on strikingly diverse and rich sources the findings of artificial intelligence and cognitive science and examples from literary dialogues and psychiatric interviews Scheff provides an inventive account of the nature of social life and a theory of motivation that brilliantly accounts for the immense complexity involved in understanding even the most routine conversation A major contribution to some central debates in social theory at the present time What Thomas Scheff seeks to develop is essentially a quite novel account of the nature of social life its relation to language and human reflexivity in which he insists upon the importance of a theory of emotion A work of true originality and jolting impact *Microsociology* is of exceptional interest which bears witness to the very creativity which it puts at the center of human social contact Anthony Giddens from the Foreword Scheff provides a rich theory that can easily generate further exploration And he drives home the message that sociological work on interaction social bonds and society cannot ignore human emotionality Candace Clark *American Journal of Sociology* This outstanding and ground breaking little volume contains a wealth of original ideas that bring together many insights concerning the relationship of emotion to motivation in a wide variety of social settings It is strongly recommended to all serious students of emotion of society and of human nature Melvin R Lansky *American Journal of Psychiatry*

Emotions as Bio-cultural Processes Birgitt Röttger-Rössler, Hans Jürgen Markowitsch, 2009-06-12 Emotions have emerged as a topic of interest across the disciplines yet studies and findings on emotions tend to fall into two camps body versus brain nature versus nurture *Emotions as Bio cultural Processes* offers a unique collaboration across the biological social divide from psychology and neuroscience to cultural anthropology and sociology as 15 noted researchers develop a common language theoretical basis and methodology for examining this most sociocognitive aspect of our lives Starting with our evolutionary past and continuing into our modern world of social classes and norms these multidisciplinary perspectives reveal the complex interplay of biological social cultural and personal factors at work in emotions with particular emphasis on the nuances involved in pride and shame A sampling of the topics 1 The roles of the brain in emotional processing 2 Emotional development milestones in childhood 3 Social feeling rules and the experience of loss 4 Emotions as commodities The management of feelings and the self help industry 5 Honor and dishonor societal and gender manifestations of pride and shame 6 Emotion regulation and youth culture 7 Pride and shame in the classroom A volume of such wide and integrative scope as *Emotions as Bio cultural Processes* should attract a large cohort of readers on both sides of the debate among them emotion researchers social and developmental psychologists sociologists social anthropologists and others who analyze the

links between humans that on the one hand differentiate us as individuals but on the other hand tie us to our socio cultural worlds

Emotion, Social Theory, and Social Structure J. M. Barbalet, 2001-09-06 Emotion Social Theory and Social Structure takes sociology in a new direction It examines key aspects of social structure by using a fresh understanding of emotions categories Through that synthesis emerge new perspectives on rationality class structure social action conformity basic rights and social change As well as giving an innovative view of social processes J M Barbalet s study also reveals unappreciated aspects of emotions by considering fear resentment vengefulness shame and confidence in the context of social structure While much has been written on the social consequences of excessive or pathological emotions this book demonstrates the centrality of emotions to routine operations of social interaction Dr Barbalet also re evaluates the nature of social theory for once the importance of emotions to social processes becomes clear the intellectual constitution of sociology and therefore its history must be rethought

Emotionen und soziale Strukturen Christian von Scheve, 2009-03-02 Die Angst vor dem sozialen Abstieg oder der Freudentaumel bei einem gewonnenen Fußballspiel Emotionen sind nicht nur Ausdruck von Individualität und Persönlichkeit sondern auch des sozialen Miteinanders und der gesellschaftlichen Verhältnisse Im Rückgriff auf neurowissenschaftliche psychologische und soziologische Emotionstheorien weist Christian von Scheve die tiefgreifende soziale Strukturierung von Affekten und Emotionen nach zeigt den Einfluss von Gefühlen auf das soziale Handeln und analysiert die Regulation und soziale Kontrolle von Emotionen Der Autor macht damit deutlich wie wichtig Emotionen für die Entstehung und Reproduktion sozialer Ordnung sind

Die Ambivalenz der Gefühle Jochen Kleres, Yvonne Albrecht, 2015-06-10 Grundlegende Prämissen der Soziologie der Emotionen ist es dass Gefühle für alle Aspekte des Sozialen relevant sind Wenn Emotionen von Individuen und soziale Kontexte in einem Wechselverhältnis zueinander stehen stellt sich die Frage welche Formen sozialer Verknüpfungen so konstituiert werden Jenseits ihres verbindenden Potentials gilt es dabei insbesondere Ambivalenzen der von Emotionen begründeten Sozialität in den Blick zu nehmen Inkludierende und exkludierende Aspekte von Emotionen können dabei eng miteinander verwoben sein und sogar Teil ein und derselben sozialen Beziehung ausmachen Diese Perspektive lässt sich auch für transnationale Kontexte nutzbar machen Schließlich gilt es diese Fragen methodologisch für empirische Forschung zu reflektieren Der vorliegende Band zeigt somit eindrücklich dass alle Bereiche des gesellschaftlichen Lebens von Emotionen nicht nur grundiert und durchzogen sind sondern dass sie für Gesellschaft vielmehr konstitutiv sind

Emotionen als Forschungsgegenstand der deutschsprachigen Soziologie Katharina Scherke, 2010-12-16

Handbuch Therapeutisierung und Soziale Arbeit Roland Anhorn, Marcus Balzereit, 2015-12-09 Ziel des Handbuchs ist es den gesellschaftlichen Prozess der Therapeutisierung kritisch zu reflektieren und dessen Ursachen und Folgen für die Soziale Arbeit zu analysieren Therapeutische Perspektiven und Praktiken bestimmen in zunehmendem Maße die gesellschaftliche Wahrnehmung und Bearbeitung von politischen ökonomischen sozialen und kulturellen Konflikt und Ungleichheitsverhältnissen mit der sichtbaren Wirkung einer zunehmenden Individualisierung und

Entpolitisierung von gesellschaftlich bedingten Interessenskonflikten und strukturellen Widersprüchen. Klassische Angebote und Verfahren therapeutisierender Sinndeutungen und kurativer Interventionen, die ursprünglich auf spezifische institutionelle Settings und die professionelle Beziehung von Therapeut_in und Patient_in beschränkt waren, haben mittlerweile nahezu alle gesellschaftlichen Sphären, Institutionen, Politikbereiche, Berufsrollen, Identitätskonstruktionen und privaten Beziehungen durchdrungen. Neben der Schule, Lohnarbeitsverhältnissen, Kriegen, Naturkatastrophen, Kriminalität und Gesundheitspolitik ist auch die Soziale Arbeit in den Prozess einer umfassenden Therapeutisierung sozialer Verhältnisse involviert und zwar als eine, die Verallgemeinerung und Veralltlichung der therapeutischen Perspektive nicht nur passiv erleidende, sondern maßgeblich auch aktiv vorantreibende und gestaltende Kraft.

Hauptwerke der Emotionssoziologie
Konstanze Senge, Rainer Schützeichel, 2012-12-02. Emotionen sind wichtig. Wissenschaftler debattieren Disziplinen bergreifend über die Bedeutung von Emotionen in zentralen gesellschaftlichen Bereichen wie dem Finanz- und Wirtschaftsbereich, der Familie und der Religion, der Politik und der Kunst sowie den Medien und der Unterhaltungsindustrie. Der Band *Hauptwerke der Emotionssoziologie* greift diesen emotional turn auf und stellt die wichtigen Arbeiten der deutschen und der internationalen Emotionssoziologie und der philosophischen, psychologischen, neurowissenschaftlichen und sozialwissenschaftlichen Emotionsforschung vor. Klassische Autoren werden ebenso berücksichtigt wie zeitgenössische Positionen, theoretische Konzepte ebenso wie empirische Forschungen. Der Band möchte einen Überblick über den aktuellen Forschungsstand geben. Er eignet sich für die universitäre Lehre wie auch für das Selbststudium.

Masse — Macht — Emotionen
Ansgar Klein, Frank Nullmeier, 2013-07-02. Emotionen sind in der Politik ein alltägliches Phänomen, dem sich die sozialwissenschaftliche Forschung bisher jedoch wenig gewidmet hat. In Massenpsychologie und Massensoziologie hat sich ein Bild emotionalisierter Politik verfestigt, das keinen Raum bietet für die differenzierte Erforschung der emotionalen Dimension politischen Handelns. Vor allem unter einem Begriff hat sich die Furcht vor politisch wirkungsmächtigen Emotionen während des 20. Jahrhunderts gebildet: der Masse. Diese überkommenen Schemata und Gegenüberstellungen gilt es zu überwinden, um den Weg frei zu machen für eine politische Soziologie, die Gefühlsanalysen zu aktuellen Erscheinungsformen politischer Emotionen, zur theoriegeschichtlichen Entwicklung, zur Konzeption und Systematik einer Politologie der Emotionen stehen. Daher im Zentrum dieses Bandes, der auch einen Beitrag zu einer Demokratietheorie leistet, die die emotionale Dimension des Politischen reflektiert.

Emotion in Organizations
Stephen Fineman, 2000-06-27. This is an insightful book, offers an in-depth understanding of the dynamics at work within organizations, but also offers ways forward for new researchers. An original contribution to the area of occupational psychology. The book is appropriate for people who want to study organizational behaviour and occupational psychology. It is thought-provoking and practical.

Profbooks.com Reviews: This Second Edition contains key themes with all new contributors and is a completely separate work from the first. *Emotion in Organization* presents original work from leading scholars in the field; they engage with emotion as

a qualitative phenomenon which shapes and is shaped by organizational life Examining how emotion cannot be simply separated from thinking judgment decision making and other so called rational organizational processes the book challenges us to build a passionate theory of organizations The introduction reviews the expansion of organizational emotion studies and their appeal to several social scientific disciplines Divided into four parts the book reveals through stories interviews confessions ethnographies and observations the way feeling and emotion lie at the heart of organizational functioning

Das soziale Kapital in der Leistungsgesellschaft Andrea Maria Dederichs, **21st Century Sociology: A Reference Handbook** Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description Organizing for Sex Workers' Rights in Montréal Francine Tremblay, 2020-02-13 This book is based on a case study about Stella l amie de Maimie a Montr al sex workers rights organization founded by and for sex workers It explores how a group of ostracized female identified sex workers transformed themselves into a collective to promote the health and well being of women working in the sex industry Weighed down by the old and tenacious whore symbol the sex workers at Stella had to find a way to navigate the criminality of sex work and sex workers in order to do advocacy and support work and create safer spaces for sex workers to engage in such advocacy This book focuses on sex workers but the advocacy challenges and strategies it outlines can also apply to the lives of other marginalized groups who are often ignored pitied or reviled but who are seldom seen as fully human **Emotion, Politics and Society** Simon Thompson, 2006-04-12 This timely book critically addresses the intersection between power politics and emotions Challenging traditional dichotomies which counterpose rationalist to non rationalist epistemologies it offers a sustained argument for a more complete and integrated rationalism and helps us understand emotions in contemporary social and political life **Organisationen regeln** Stephan Duschek, Michael Gaitanides, Wenzel Matiaske, Günther Ortmann, 2012-04-26 Es ist eine der gro en Illusionen unserer Zeit dass Macht aus dem Lauf der Gewehre kommt In Wirklichkeit kommt Macht aus Organisationen John R Searle Organisationen regeln was z hlt und als was es z hlt nicht nur in ihren eigenen inneren Angelegenheiten Zwar werden sie ihrerseits reguliert Auch bei der Regulation aber sind sie die m chtigen Akteure Cum grano salis Sie regeln sogar noch wie sie selbst geregelt werden Der Band mit renommiertesten Fachleuten geht daher den soziologischen konomischen und philosophischen Problemen des rule following und den Fragen nach Wie regeln und steuern Organisationen Wie werden sie geregelt und gesteuert Welche Evolution und pfadabh ngige Entwicklung machen Regeln Institutionen und Organisationen durch **Mixed Emotions** Andrew A. G. Ross, 2022-12-22 In recent years it s become increasingly clear that emotion plays a central role in global politics For example people readily care about acts of terrorism and humanitarian crises because they appeal to our compassion for human suffering These struggles also command attention where social interactions have the power to produce or intensify the emotional responses of those who participate in them From passionate protests to poignant speeches Andrew A G Ross analyzes high emotion events with an eye to how they shape public sentiment and finds that there is no single answer The

politically powerful play to the public's emotions to advance their political aims and such appeals to emotion also often serve to sustain existing values and institutions. But the affective dimension can produce profound change particularly when a struggle in the present can be shown to line up with emotionally resonant events from the past. Extending his findings to well studied conflicts including the War on Terror and the violence in Rwanda and the Balkans, Ross identifies important sites of emotional impact missed by earlier research focused on identities and interests.

Selbstbild und Selbstverständnis von Luftfahrzeugführern der Luftwaffe im organisatorischen Umfeld der Bundeswehr Anja Wagner, 1999-12-14 Inhaltsangabe Zusammenfassung Ausgangspunkt dieser Arbeit war die Frage nach dem Selbstbild und Selbstverständnis von Jet und Transportflugzeugführern der Luftwaffe. Ziel war es, ihre subjektive Berufsrealität unter verschiedenen Gesichtspunkten zu erfassen. Schwerpunkte waren dabei Persönlichkeiten und Leistungsmerkmale, Motivation, Ansehen, Image, intern/extern, Arbeitsklima, Berufszufriedenheit und berufliche Zukunft. Auf der Grundlage einer empirischen Untersuchung schriftliche Befragung von n=167 Piloten konnte ein recht eindeutiges Bild der aktuellen Situation abgeleitet werden. Jede Untersuchungsgruppe hat ein gem. ihrer Tätigkeiten differenziertes realistisches Selbstbild und Selbstverständnis. Beide sind überwiegend hoch motiviert und beziehen diesen Leistungsantrieb rein aus der praktischen Tätigkeit des Fliegens. Der Tendenz einer zunehmenden Imageentwertung innerhalb der Bundeswehr wurde von beiden Seiten zugestimmt. Das vermutete Ansehen bei der Bevölkerung wurde eher vorsichtig eingeschätzt. Die allgemeine Klischee Vorstellung Jet-Piloten wurde allgemein ein höheres Ansehen beigemessen. Wurde überwiegend bestätigt. Das Arbeitsklima wurde als gut bis mittelmäßig bewertet. Ebenso sind die Befragten ohne gruppenspezifische Unterschiede mit ihrem Beruf als Pilot eher zufrieden. Für die Vorhersage der Berufszufriedenheit spielt dementsprechend die berufliche Leidenschaft eine nicht zu unterschätzende Rolle sowie die Imageentwertung innerhalb der Bundeswehr. Hinsichtlich der beruflichen Zukunft lässt sich feststellen, dass nur ein geringer Anteil in der Luftwaffe verbleiben will. Transportflugzeugführer tendieren dazu, nach ihrem aktiven Dienst im Fliegerischen Dienst in der zivilen Luftfahrt tätig sein zu wollen. Dies hat auch ein Teil der Jet-Piloten vor. Dennoch finden sich in dieser Gruppe beachtliche 30%, die mit der Fliegerei nichts mehr zu tun haben und einer völlig anderen Tätigkeit nachgehen möchten. Zusammenfassend kann gesagt werden, dass es praktisch außerordentlich wichtig ist, die hohe Motivation der Piloten durch entsprechende Rahmenbedingungen von Organisationsseite aufrechtzuerhalten und für ein den Anforderungen entsprechendes Ansehen der Luftfahrzeugführer zu sorgen, um die bestehenden Verhältnisse beizubehalten bzw. zu verbessern. Aus der Dependenz von Gesellschaft und Militär ergeben sich die zukünftigen Aufgaben und das gesamte impulsgebende Potential der Militärsociologie was nicht nur im

Universität und Lebenswelt Wieland Jäger, Rainer Schützeichel, 2008-09-27 Universitäten sind gegenwärtig einem Sog von Reformen und enormen Belastungen ausgesetzt, die ihre Lebenswelt, aber auch die Beziehungen zu ihrer lebensweltlichen Umwelt stark verändern. Die Beiträge in diesem Band gehen diesen Veränderungsprozessen nach. Sie thematisieren epistemologische wie organisatorische Fragen, befassen sich

mit Autobiographien und Identitäten analysieren die neuen Studienmodelle und untersuchen die lebensweltliche Verortung von Universitäten

Medien & Kommunikationsforschung im Vergleich Gabriele Melischek, Josef Seethaler, Jürgen Wilke, 2008-05-10 Die Bedeutung vergleichender Ansätze in der Medien und Kommunikationsforschung hat zugenommen. An zehn Forschungsfeldern wird exemplarisch illustriert, wie solche Vergleiche bisher angestellt worden sind, welche Perspektiven sie eröffnen und welche Probleme dabei auftreten. Neben Zeitvergleichen stehen internationale und systematische Vergleiche im Vordergrund. Das Spektrum der Forschungsfelder reicht von der Mediengeschichte über den Mediensystemvergleich, die Journalismusforschung und Politische Kommunikation bis zur Rezeptionsforschung und zum Medienvergleich.

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Microsociology Discourse Emotion And Social Structure**

In some sort of inundated with monitors and the cacophony of instantaneous communication, the profound power and psychological resonance of verbal beauty often diminish in to obscurity, eclipsed by the regular onslaught of sound and distractions. However, located within the musical pages of **Microsociology Discourse Emotion And Social Structure**, a fascinating work of literary splendor that impulses with raw thoughts, lies an remarkable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this magical opus courses readers on a mental odyssey, delicately exposing the latent potential and profound influence embedded within the delicate internet of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is central subjects, dissect their captivating publishing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
