Midas Touch Why Some Entrepreneurs Get Rich And Why Most Dont:

Midas Touch Donald & Kiyosaki Trump (Robert), Donald J. Trump, Robert T Kiyosaki, 2011 Two entrepreneurial icons share experiences and insights into creating and building successful businesses What makes some business owners wildly successful What separates the entrepreneurs who build businesses from ones who just seem to create more work for themselves How exactly do the world s most prominent business builders seem to hit home run after home run The answer they have the Midas Touch Donald Trump and Robert Kiyosaki believe the world needs more entrepreneurs For the first time two of the world s most successful and influential entrepreneurs will share their own Midas Touch secrets Secrets that will both inspire you to find and fulfill your passion as well as provide you with the hands on guidance you need to be successful Through their real life stories of success failure perseverance and purpose you ll discover how they do it and whether or not you have what it takes to drive your own entrepreneurial success Entrepreneurs and Capitalism since Luther Ivan Light, Léo-Paul Dana, 2020-08-20 In Entrepreneurs and Capitalism since Luther Rediscovering the Moral Economy Ivan Light and L o Paul Dana study the history of business capitalism and entrepreneurship to examine the values of social and cultural capital Six chapters evaluate case studies that illustrate contrasting relationships between social networks vocational culture and entrepreneurship Light and Dana argue that in capitalism s early stages cultural capital is scarcer than social capital and therefore more crucial for business owners Conversely when capitalism is well established social capital is scarcer than cultural capital and becomes more crucial Light and Dana then trace moral legitimations of capitalism from the Reformation to the Enlightenment the Gilded Age and finally to Joseph Schumpeter whose concept of creative destruction freed elite entrepreneurs from moral restraints that encumber small business owners After examining the availability of social and cultural capital in the contemporary United States Light and Dana show that business owners social capital enforces conventional morality in markets facilitating commerce and legitimating small businesses the old fashioned way As their networks become more isolated elite entrepreneurs must claim and ultimately deliver successful results to earn public toleration of immoral or predatory conduct **Author in Chief** Michael B. Costanzo, 2019-04-29 With the publication of his Personal Memoirs in 1885 Ulysses S Grant established what is today known as the presidential memoir Every U S president since Benjamin Harrison has written one and many have turned to other forms of writing as well This book covers the history of works including autobiographies diaries political manifestos speeches fiction and poetry authored by U S presidents and published prior to during or after their terms The writing was easy for some harder for others with varying success from literary comebacks and bestsellers to false starts and failures **Sales Dogs** Blair Singer, 2013-02-28 The number one skill for any entrepreneur or business owner is the ability to sell Why Because sales income Yet many fail financially not because they do not have great ideas or even good work ethic but typically because they don t know how to refuse to are afraid to or don t think it is important to know how to sell SalesDogs was written as the very first of the Rich Dad Poor Dad how to

Advisory series to teach in a very fun and impactful way how to overcome the fears the myths and the obstacles to selling your products services or yourself It then teaches a simple time proven process of selling that will generate great income in most any business The reader will learn the five most important selling skills to master how to overcome any objection manage a territory and much more The book quickly de bunks the idea that you have to be an overly aggressive attack dog to be successful It uses the metaphor of man s best friend to say that a great sales person is like a loyal persistent and lovable canine It stipulates that there are five different breeds or personalities of SalesDogs that can each make a lot of money by playing to its strength You will learn how to identify maximize and train to that strength and also how to teach others on your team to do the same While the book is fun and engaging it also dives deep into the personal development issues that block a person s ability to generate income and how to overcome them The book is perfect for first time salespeople individuals who are uncomfortable with the notion of selling those who need to train others to sell and those who want to simply get better quicker
