moustache a shuffling slantwise walk a cane and a dusty bowler hat one of the most iconic figures of the golden age of cinema was born *Charlie Chaplin's Modern Times* Carl Peters, 2021-11-25 This book looks at Charlie Chaplin's masterpiece *Modern Times* 1936 through the lens of film aesthetics structure and post modern perspective The naïve Tramp character of *Modern Times* is often seen as the embodiment of a revolutionary reaction to his age However this study of the film shows that it is not only difficult but also impossible to accept the long established critical reception of Chaplin's film and its characters in our own Post modern Times Drawing from extensive research and bringing post modern context to the film through a comparative analysis of Todd Phillips's *Joker* 2019 the book introduces how exhilarating a comprehensive study of film can be for engaged viewers Illustrating that a detailed filmic reading of *Modern Times* can be a guide or an extended case study for analysing culture this book will be of interest to students and teachers in film studies literary studies and the visual arts
