current world champion and reigning Bad Boy of chess Nolan's loss to an unknown rookie shocks everyone. What's even more confusing? His desire to cross pawns again. As she rockets up the ranks, Mallory struggles to keep her family safely separated from the game that wrecked it in the first place. Fic Anne Jamison, 2013-11-26 What is fanfiction and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? **Fic** is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers on subjects from *Star Trek* to *The X-Files* and *Buffy the Vampire Slayer* to *Harry Potter*, *Twilight*, and beyond, **Fic** sheds light on the widely misunderstood world of fanfiction, not only how fanfiction is transforming the literary landscape but how it already has. **Fic** features a foreword by Lev Grossman, author of *The Magicians*, and interviews with Jonathan Lethem, Doug Wright, Eurydice Vivean Dean, and Katie Forsythe. Boundaries of Freedom Lee Thai, 2019-01-10 Are our pains and sufferings preordained and fixed by God, or are they the consequences of man's actions? Can the immutable Lord ever change his mind in response to our prayers? This dilemma of God's sovereignty and man's free will has been a quandary for the church for nearly two thousand years. Previous solutions—Calvinism, Arminianism, Molinism, and Open Theism—have not been successful in deciphering the enigma. The problem is now resolved by exposing the fallacies in man's claim that he is given no other choice but to do whatever the Lord foreknew and foreordained. Using the analogy of the dual nature of light, the quantum proposal affirms that man has alternative options that were created and foreknown by God within his predetermined boundaries. From Adam's fall in Genesis to Paul's ministry in the New Testament, alternative possibilities have always been offered. Men are free to choose among the given options and must live with the consequences, whether good or evil. This groundbreaking work is a must read for all Christians who struggle with the dilemma of divine sovereignty and human responsibility.
