Get In Patrick Maguire, Gabriel Pogrund, 2025-02-13 Get In is the definitive behind-the-scenes account of Labour's brutal reinvention and dramatic return to power. The book about Keir Starmer we have all been waiting for. It is impossible to fully understand this government unless you read it. TIM SHIPMAN From electoral wipeout in 2019 to landslide victory in 2024 and on into Labour's first hundred days in government, Get In is a blistering exposé of the most significant and ruthless political transformation in a generation. At its heart is Morgan McSweeney, a mastermind of political subterfuge and author of a strategy to eviscerate the party, bury the left and rebuild it as a vote-winning machine. In Starmer, he saw the perfect vessel for his vision: a man with no political identity but burning with ambition and a single, all-consuming principle: to win. Drawing on unrivalled access throughout the party and extensive leaks of internal party documents and WhatsApp messages, Get In shows how together they betrayed and marginalised Corbyn and his followers, then forged a path in which promises and at times principles were readily discarded in pursuit of power. Richly peopled with the major figures of Labour present and past, this is the coming-of-age story of Britain's government. In an era in which faith in politics has plummeted, this is how to game your way to the ultimate prize. But what on earth do you do when you get there? Stuffed full of scoops revealing who's really in charge. Laura Kuenssberg A remarkable piece of journalism. Rory Stewart A rattling tale, terrifically well told, extremely well sourced, dramatic detail. Andrew Rawnsley Observer Fast-paced, cutting, one-liners, it reads as if the authors were alongside McSweeney and Starmer. Jason Cowley Sunday Times Fascinating, devastating, full of lively stories. Andrew Marr New Statesman Unsparing, brilliant, so many golden nuggets. Michael Gove Spectator Revealing, pacy, dispassionate but informed, a cracking read. Financial Times A gripping story of raw politics and ruthless men. Helen Lewis A superb work of contemporary history which defines the Starmer premiership. Peter Osborne Fascinating. Andy Grice Independent Compelling. John Harris Guardian
