The Presidency of Donald J. Trump Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump's four turbulent years in the White House The Presidency of Donald J. Trump presents a first draft of history by offering needed perspective on one of the nation's most divisive presidencies Acclaimed political historian Julian Zelizer brings together many of today's top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency When Trump took office in 2017 he quickly carved out a loyal base within an increasingly radicalized Republican Party dominated the news cycle with an endless stream of controversies and presided over one of the most contentious one term presidencies in American history These essays cover the crucial aspects of Trump's time in office including his administration's close relationship with conservative media his war on feminism the solidification of a conservative women's movement his response to COVID-19 the border wall growing tensions with China and NATO allies white nationalism in an era of Black Lives Matter and how the high tech sector flourished The Presidency of Donald J. Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long term trends in Republican politics and American polarization more broadly With contributions by Kathleen Belew Angus Burgin Geraldo Cadava Merlin Chowkwanyun Bathsheba Demuth Gregory Downs Jeffrey Engel Beverly Gage Nicole Hemmer Michael Kazin Daniel C. Theological Discourses on Social Media Christopher B. Barnett, Clark J. Elliston, Trevor B. Williams, 2025-08-29 Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology On the whole the volume will focus on the Judeo-Christian tradition though dialogue with and

insight from other religious traditions will also be featured The upshot will be a unique theological engagement with the defining issue of our era a work that will be as relevant as it will be engrossing Featuring contributions from leading scholars it will be a must read for all students of theology religion and media and cultural studies **Configured by Consumption** Kam, Booi H.,Rimmer, Peter J.,2022-05-06 This ground breaking Research Handbook provides a state of the art discussion of the international law of Indigenous rights and how it has developed in recent decades Drawing from their extensive knowledge of the topic leading scholars provide strong general coverage and highlight the challenges and cutting edge issues arising in international Indigenous rights law **Proceedings of the International Conference on Business, Economics, Social Sciences, and Humanities - Economics, Business and Management Track (ICOBEST-EBM 2024)** Lia Warlina,Senny Luckyardi,2024-07-26 This is an open access book The International Conference on Business Economics Social Sciences and Humanities ICOBEST is hosted annually by Universitas Komputer Indonesia UNIKOM ICOBEST aims to facilitate the exchange of knowledge and experiences among academia researchers and scholars fostering optimism and revitalization within the scientific framework ICOBEST provides a unique opportunity for participants to network share ideas and present their research findings to an international audience Encouraging discussions on the latest innovations emerging trends and practical challenges in business economics social sciences and humanities This year UNIKOM will held the conference in hybrid format which means interested authors can participate in this conference either in person or through online means Modern Political Campaigns Michael D. Cohen,2025-04-15 Dr Michael D Cohen a 30 year veteran of working on teaching and writing about political campaigns shows readers how campaigns are organized explains state of the art tools of the trade and reveals how some of the most interesting people in politics got their big breaks He combines academic insights and practical advice that will be of interest to practitioners and students considering careers in politics and people interested in how elections are won The second edition updated to include a new chapter on how campaigns are using artificial intelligence and what that means for democracy has been completely revised throughout to provide readers with an up to date understanding of how candidates succeed *Westlessness* Samir Puri,2024-07-25 The must read book to help you make sense of the world perfect for fans of Prisoners of Geography How the World Made the West and Empireland Well informed and very valuable International Affairs Donald Trump has been re elected The Russian Ukraine war has entered its fourth year China s economy is slowing down Far right parties and politicians are surging in popularity across Europe *Westlessness* by former UK diplomat Dr Samir Puri is here to help make sense of these continual seismic shifts to the world order In this book he vividly demonstrates how in demographic economic military and cultural terms we are hurtling into a far more diverse global future Many of our certainties about the present built on centuries of massive Western global impact are increasingly fragile Untold wealth is moving from the West to the East as nations like India and Indonesia are set to reach new heights of growth and confidence And China continues its ascent to the peak of the

economic mountain but are cracks appearing And will the Western world under the aegis of US global military economic technological and cultural power give up its privileged position willingly Nothing is linear and nothing is predictable Are we prepared personally and professionally for a far more diverse global future Prepared or unprepared Westlessness is our guide to a new world order What readers think Insightful and thought provoking Highly recommended Loved this book a real insight into how the world is changing and gives an interesting glimpse into the future A great read and would definitely recommend A fascinating book written empathetically that deals with the shifting nature of power imbalances in the world until now full of sober projections into the future Westlessness does not take sides is not alarmist and is not emotional in any way yet it deals with the complexity of feelings aroused over issues of identity both Western and otherwise and colonial legacy A must read to understand the often bewildering world we now live in written as a scholarly book in an accessible tone
