iPad in Education For Dummies Sam Gliksman, 2012-12-12 It's easy to bring the incredible iPad experience to your classroom today. The iPad is a natural fit for education in the 21st century and this straightforward full color guide shows you just how to deploy it effectively in your educational institution. From understanding how iPads can be used for different learning styles to managing iPad content and classroom use, finding the apps to complement your curriculum, creating interactive lessons and beyond, author Sam Gliksman, a sought after consultant on integrating technology in schools, answers all your questions. Helps teachers and administrators see how to use iPads effectively in different grades classroom settings and curriculum levels. Explains iPad's built in media features and the importance of multimedia in modern education. Explores iPad best practices, tools and apps for a successful iPad program in your school. Shows how the iPad can be used as a valuable tool for research, collaboration, communication, creativity and discovery. Provides tips and guidance on keeping information updated, managing content and taking advantage of the iPad as a learning tool. iPad in Education For Dummies is your guide to using the world's most popular tablet to inspire and educate your students in a whole new way. *Fire Tablets For Dummies* Nancy C. Muir, 2014-12-22 Enjoy endless entertainment with your Kindle Fire. Fire HD or Fire HDX Tablet. Amazon's growing suite of tablets gives you the power to watch, work and play wherever you roam. With access to a large music and video collection, a growing app store, a massive library of e-books and fast, easy one-click shopping, the Fire Tablet is the hottest ticket in town. Whether you're the owner of the original Kindle Fire, Kindle Fire HD, Kindle Fire HDX or one of the latest and greatest Fire tablet models, this fun and friendly guide will fuel your love of your tablet and help you make the most of its myriad features and capabilities. Although there's a ton of documentation and online support surrounding Fire tablets, much of it is lacking, not to mention packed with jargon that could make even a tech guru's head spin. In *Fire Tablets For Dummies*, you'll get easy-to-understand, thorough and plain English explanations of the features and topics you'll encounter as you cruise around your cool new device, no matter which model you choose. Burn through the basics of getting connected, going online and navigating your tablet's built-in apps, before moving on to filling your Fire Tablet with games, books, videos, TV shows, magazines and more. Covers the key features of the original Kindle Fire, Kindle Fire HD and Kindle Fire HDX, as well as the latest features of the new Fire HD and Fire HDX tablets. Shows you how to set up your Fire tablet, navigate with the touchscreen and connect to Wi-Fi. Offers clear instruction on browsing the web, receiving and sending email and posting on Facebook. Walks you through new Amazon services available on the latest Fire Tablet models. Provides helpful advice on amazing apps to add fuel to your Fire tablet. From music to movies, e-books, apps, photos and beyond, *Fire Tablets For Dummies* is your one-stop guide to getting more from your Fire Tablet. **Running the Digital Branch** David Lee King, American Library Association, 2012. *Library Technology Reports* vol 48 no 6. *Running the Digital Branch: Guidelines for Operating the Library Website* by David Lee King describes how Topeka Shawnee County Public Library has operated its

website as a digital branch for over four years The website was designed in 2011 which provided a great opportunity to make improvements This issue discusses the changes and tweaks that were made to the digital branch especially during the redesign process This issue also discusses how customers are using blog content and the role of library teams meetings and goals in running the digital branch Statistics and analytics are examined and reasons for using analytics are provided The issue also discusses social media best practices for a digital branch Finally an outlook on the future of the Web is provided and emerging Web design trends are described

In Defense of Read-Aloud Steven Layne, 2023-10-10 As accountability measures for schools and teachers continue to grow instructional practice is under the microscope The practice of reading aloud to children may be viewed by some educators as an extra bit of fluff used solely for the purposes of enjoyment or filling a few spare minutes but researchers and practitioners stand in solidarity the practice of reading aloud throughout the grades is not only viable but also best practice In Defense of Read Aloud Sustaining Best Practices author Steven Layne reinforces readers confidence to continue the practice of reading aloud and presents the research base to defend the practice in grades K12 Layne also offers significant practical insights to strengthen instructional practice answering the questions of Why should we and How should we and provides practical advice about how to use read alouds most effectively Leading researchers in the field of literacy provide position statements authors of professional books share insights on books they have loved leaders of the largest literacy organizations in the United States write about their favorite read alouds award winning authors of children s and young adult book Katherine Paterson Andrew Clements Lois Lowry to name a few share the powerful behind the scenes stories of their greatest books and real classroom teachers and librarians speak about books that have lit up their classrooms and libraries around the world Last but not least In Defense of Read Aloud features many great recommendations of books to share with children Read aloud is an essential practice in teaching literacy in grades K 12 In this book Steven Layne has provided everything needed to support sustain and celebrate the power of read aloud

Sharing God's Blessing Robin Greenwood, 2016-01-21 A tried and tested resource for the renewal of the local church Faced with the unsustainability of many inherited patterns of church the temptation may be to fall into despondency rather than seeking to regenerate patterns of mission and ministry This book is the result of a two year research project aimed at enabling local churches to regain a sense of confidence through exploring God's blessing and how that might be shared with the communities they serve In Part One Robin Greenwood explores the meaning of blessing and the power of face to face group conversations to transform church congregations Part Two of the book contains outlines for five guided conversations for change on the theme of blessing Part Three contains case study material of how this material has been used in different contexts including for Mission Action Planning MAP

Strengthening School Counselor Advocacy and Practice for Important Populations and Difficult Topics Rausch, Meredith A., Gallo, Laura L., 2021-01-29 School counselors often struggle to feel confident in delivering effective assistance to students due to a variety of reasons that currently do not have enough research or information developed. This leads to a struggle for counselors to adequately address tough and relevant issues. With these issues remaining unaddressed or addressed less effectively, there is a concern that school counselors cannot mitigate these issues due to not being adequately informed. This can lead to a lifetime of consequences for students. *Strengthening School Counselor Advocacy and Practice for Important Populations and Difficult Topics* presents emerging research that seeks to answer the tough and often unaddressed questions that target present-day issues of student populations and prepare school counselors to feel confident and competent in their counseling and advocacy practice. These chapters, using the newest information available, will address these concerns and provide the best counseling work possible for underserved populations. While covering research on counseling for students with chronic illnesses, mixed statuses, family issues, minority students, LGBTQ youth, and more, this book is ideal for school counselors, counseling educators, practitioners, stakeholders, researchers, academicians, and students who are interested in school counseling and meeting the needs of diverse and important populations of students. *Corporate Risks and Leadership* Eduardo E. Mariscotti, 2025-04-24 The context of business has been changing for companies in recent years, and following numerous corporate and accounting scandals, many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law. Because of the existence of these new regulations, the level of control, the severity of sanctions by governments, and the amount of fines for noncompliance have increased dramatically. In parallel with the technological revolution in communications, business management has become more transparent, and any negative event is uploaded to social networks and shared with an indeterminate number of people. This change in the regulatory, sanctioning, and technological context has forced large companies to rethink risks, investments, and budgets to deal with this more complex environment. To transition to this change, some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans, strategies, growth targets, investment plans, and talent acquisition. While each industry has its particular risks, in this book the author describes the essential elements that any effective ethics and compliance program should contain. This book is a source of information that connects yesterday with today. The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves. This book covers theories of ethics but with an eye focused on practical application. Risks, ethics, and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details. Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations. Thus, due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors, it

seems appropriate that executives get access to this book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This second edition offers various examples to cultivate ethical thinking and behavior identify common risks and comprehend their adverse effects on organizations

Neurocomputational Poetics Arthur Jacobs,2023-11-14 This book introduces a new thrilling field Neurocomputational Poetics the scientific marriage between cognitive poetics data science and neuroscience Its goal is to uncover the secrets of verbal art reception and to explain how readers come to understand and like literary texts For centuries verbal art reception has been considered too subjective for quantitative scientific studies and till date many scholars in the humanities and neurosciences alike view literary reading as too complex for accurate computational prediction of the neuronal experiential and behavioural aspects of reader responses to texts This book sets out to change this view *Handbook of Reading Research, Volume V* Elizabeth Birr Moje,Peter P. Afflerbach,Patricia Enciso,Nonie K Lesaux,2020-06-02 In a time of pressures challenges and threats to public education teacher preparation and funding for educational research the fifth volume of the Handbook of Reading Research takes a hard look at why we undertake reading research how school structures contexts and policies shape students learning and most importantly how we can realize greater impact from the research conducted A comprehensive volume with a gaps and game changers frame this handbook not only synthesizes current reading research literature but also informs promising directions for research pushing readers to address problems and challenges in research design or method Bringing the field authoritatively and comprehensively up to date since the publication of the Handbook of Reading Research Volume IV this volume presents multiple perspectives that will facilitate new research development tackling topics including Diverse student populations and sociocultural perspectives on reading development Digital innovation literacies and platforms Conceptions of teachers reading readers and texts and the role of affect cognition and social emotional learning in the reading process New methods for researching reading instruction with attention to equity inclusion and education policies Language development and reading comprehension Instructional practices to promote reading development and comprehension for diverse groups of readers Each volume of this handbook has come to define the field for the period of time it covers and this volume is no exception providing a definitive compilation of current reading research This is a must have resource for all students teachers reading specialists and researchers focused on and interested in reading and literacy research and improving both instruction and programs to cultivate strong readers and teachers
