Microsoft Silverlight 4 Business Application Development Frank LaVigne, Cameron Albert, 2010

Annotation: Microsoft Silverlight is a programmable web browser plug-in that enables features including animation, vector graphics and audio/video playback. Features that characterize Rich Internet Applications. Silverlight makes possible the development of RIA applications in familiar .NET languages such as C# and VB.NET. Silverlight is a great and growing line of business platform and is increasingly being used to build business applications. Silverlight 3 made a big step in LOB. Silverlight 4 builds upon this further. This book will enable .NET developers to feel the pulse of business application development with Silverlight quickly. This book is not a general Silverlight 3/4 overview book. It is uniquely aimed at developers who require an introduction to building business applications with Silverlight. This book will focus on building a suite of real world useful business applications in a practical, hands-on approach. This book is for .NET developers providing the answers to many questions that are encountered when creating business applications in Silverlight, ultimately enabling rapid development with ease. This book teaches you how to build business applications with Silverlight 3 and 4. Building a suite of applications it begins by introducing you to the basic tools and skills needed to get started in Silverlight development. It then dives deeply into the world of business application development, covering all the required concepts needed to build sophisticated business applications and provide a rich user experience. Chapters include building a public website, adding rich media to the website, incorporating RIA into your website and among others. By following the practical steps in this book you will learn what's needed to create rich business applications, from the creation of a Silverlight application to enhancing your application with rich media and connecting your Silverlight application to various data sources.
