Garrick Allen, John Anthony Dunne

Midrash Tehillim English Translation:

Rashi's Commentary on Psalms Mayer I. Gruber, 2003-12-01 This new volume in the Reference Library of Judaism faithfully presents the complete Hebrew text of Rashi's 1040-1105 psalter commentary according to Vienna Heb ms 220 together with a fully annotated scientific translation into contemporary idiomatic English. The supercommentary places one of the finest commentaries by the single most influential Hebrew biblical exegete in dialogue with the full gamut of ancient, medieval, and modern exegesis. The supercommentary identifies Rashi's sources and pinpoints the exegetical cruxes to which Rashi responds, defines the nuances of Rashi's exegetical linguistic and theological terminology, and guides readers to use the translation to gain access to the Hebrew. The introductory chapters constitute the most up-to-date discussion of the scope of Rashi's literary legacy and of the history of research. They include highly original discussions of the Chronicles and Ezra-Nehemiah commentaries commonly attributed to Rashi and fully annotated English translations of 1) Rashi's programmatic essay on the problem of homonymy in biblical exegesis, 2) Rashi's commentaries on liturgical poetry, 3) one of Rashi's liturgical poems, and 4) the famous medieval poem which declares Rashi to be the Torah Commentator par excellence. The final result is a valuable resource for students and scholars alike. With only seven other works on Rashi's commentary on the Psalms, G's work is a very welcome addition in the growing scholarship on both Rashi and the Psalms; indeed, it is an indispensable reference volume for all those working in that area. Federico Dal Bo, 2024-09-23 Federico Dal Bo examines the design of early Hebrew books from the late fifteenth and sixteenth centuries, focusing not only on the words in these early books but also on how they were arranged on the page. He follows in the tradition of scholars such as Christopher de Hamel, Marvin J. Heller, and David Stern, who have explored the importance of these Hebrew books in influencing Jewish learning and attracting the interest of Christians. The author discusses important prints such as the first Talmud and rabbinical bibles, which marked a shift from being for Jewish readers only to being for both Jews and Christians. The collaboration between Jewish editors and Christian printers changed the way these books looked and the audience for whom they were intended. At first, these early prints copied the style of handwritten Hebrew manuscripts. The simple layout could be difficult to read, especially for long books like the Bible or Talmud. But over time, influenced by the humanism of the Italian Renaissance, the layout became more complex. The book also looks at how the layout changed from full-page commentaries to a more complicated design in which the main text and commentaries shared the same page. This shift challenged the idea of who was the primary author and emphasized the role of editors. The layout, with the main text in the center and the commentaries on the sides, created a kind of unwritten rule for how to read religious texts. Dal Bo's study also includes new information about a 1553 trial in which the Talmud was burned. Overall, it explores how the layout of these early Hebrew books shaped cultural power and influenced how people read. Ancient Readers and their Scriptures Garrick Allen, John Anthony Dunne, 2018-10-08 Ancient Readers and their Scriptures explores the various ways that ancient Jewish and Christian writers engaged with and interpreted the Hebrew Bible in antiquity focusing on physical mechanics of rewriting and reuse modes of allusion and quotation texts and text forms text collecting and the development of interpretative traditions Contributions examine the use of the Hebrew Bible and its early versions in a variety of ancient corpora including the Septuagint Dead Sea Scrolls New Testament and Rabbinic works analysing the vast array of textual permutations that define ancient engagement with Jewish scripture This volume argues that the processes of reading and cognition influenced by the physical and intellectual contexts of interpretation are central aspects of ancient biblical interpretation that are underappreciated in current scholarship

Inner-Midrashic Introductions and Their Influence on Introductions to Medieval Rabbinic Bible Commentaries Michel G. Distefano, 2009-02-26 The opening sections of some exegetical Midrashim deal with the same type of material that is found in introductions to medieval rabbinic Bible commentaries The application of Goldberg s form analysis to these sections reveals the new form Inner Midrashic Introduction IMI as a thematic discourse on introductory issues to biblical books By its very nature the IMI is embedded within the comments on the first biblical verse 1 1 Further analysis of medieval rabbinic Bible commentary introductions in terms of their formal thematic and material characteristics reveals that a high degree of continuity exists between them and the IMIs including another newly discovered form the Inner Commentary Introduction These new discoveries challenge the current view that traces the origin of Bible introduction in Judaism exclusively to non Jewish models They also point to another important link between the Midrashim and the commentaries i e the decomposition of the functional form midrash in the new discursive context of the commentaries Finally the form analysis demonstrates how larger discourses are formed in the exegetical Midrashim

Joseph Friedemann W. Golka,Wolfgang Weiss,2000 The Targum of Jeremiah ,2024-05-15 This Targum offers to the reader Jeremiah s words among the Jewish people Perhaps more than any other prophet he communicates the majesty and excellence of the God of Israel presenting the mysterious history compounded of glory and tragedy of his Chosen People Here we have one of the most moving interpretations of one of the great figures of the ancient world The longest biblical book in the original Hebrew Jeremiah became longer still in its translation into Aramaic because the translator s in trying to convey the precise meaning often offered more than one translation of a word or phrase The sheer length may account for the fact that until now it has never been translated into English **Why the Torah Begins with the Letter Beit** Michael J.

The Making of a Forefather Shari Lowin,2006-10-01

This comparative analysis examines the Islamic and Jewish exegetical narratives ad th qi a al anbiy and midrash aggadah on the early life of the forefather Abraham It reveals how the traditions utilized one another s materials in creating and re creating the patriarch in their own image Each chapter examines a particular motif in Abraham s development from the prophecy surrounding his birth to his discovery of God and polemics with pagans to his salvation in the fiery furnace of Chaldea Indexes of the more salient rabbinic or Islamic texts follow at the end of each chapter The work is particularly valuable for scholars of rabbinics and Islamicists alike it challenges earlier scholarship by revealing that the Islamic and Jewish exegetical traditions were not entirely distinct traditions but were intertextually related mutually giving and receiving ideas

The Holocaust and the Nonrepresentable David Patterson,2018-05-22 Many books focus on issues of Holocaust representation but few address why the Holocaust in particular poses such a representational problem David Patterson draws from Emmanuel Levinas s contention that the Good cannot be represented He argues that the assault on the Good is equally nonrepresentable and this nonrepresentable aspect of the Holocaust is its distinguishing feature Utilizing Jewish religious thought Patterson examines how the literary word expresses the ineffable and how the photographic image manifests the invisible Where the Holocaust is concerned representation is a matter not of imagination but of ethical implication not of what it was like but of what must be done Ultimately Patterson provides a deeper understanding of why the Holocaust itself is indefinable not only as an evil but also as a fundamental assault on the very categories of good and evil affirmed over centuries of Jewish teaching and testimony

A Mahzor

from Worms Katrin Kogman-Appel, *Leipzig Mahzor*, 2012-04-17 The Leipzig Mahzor is one of the most lavish Hebrew illuminated manuscripts of all time. A prayer book used during Jewish holidays, it was produced in the Middle Ages for the Jewish community of Worms in the German Rhineland. Though Worms was a vibrant center of Judaism in the eleventh and twelfth centuries and drew celebrated rabbis, little is known about the city's Jews in the later Middle Ages. In the pages of its famous book, Katrin Kogman Appel discovers a portal into the life of this fourteenth-century community. Medieval mahzorim were used only for special services in the synagogue and belonged to the whole congregation, so their visual imagery reflected the local cultural associations and beliefs. The Leipzig Mahzor pays homage to one of Worms's most illustrious scholars, Eleazar ben Judah. Its imagery reveals how his Ashkenazi Pietist worldview and involvement in mysticism shaped the community's religious practice. Kogman Appel draws attention to the Mahzor's innovations, including its strategy for avoiding visual representation of God and its depiction of customs such as the washing of dishes before Passover, something less common in other mahzorim. In addition to decoding its iconography, Kogman Appel approaches the manuscript as a ritual object that preserved a sense of identity and cohesion within a community facing a wide range of threats to its stability and security.
