Citizenship, Borders, and Gender

Edited by Seyla Benhabib and Judith Resnik

Migrations And Mobilities Citizenship Borders And Gender

**Gaspare M. Genna, David A. Mayer-
Foulkes**

Migrations And Mobilities Citizenship Borders And Gender:

Migrations and Mobilities Seyla Benhabib, Judith Resnik, 2009-03 This work discusses the unprecedented challenges that the movement of peoples across national borders poses for the people involved as well as for the places to which they travel and their countries of origin

Migrations and Mobilities Seyla Benhabib, Judith Resnik, 2009 **Schutz und Freiheit?** Dieter Gosewinkel, 2016-06-13 Die Staatsbürgerschaft war im 20. Jahrhundert das Signum politischer Zugehörigkeit in Europa. Sie entschied über Schutz und Freiheit eines Menschen und damit über seine Lebens- wie Überlebenschancen. Erzählt wird hier erstmals eine gemeinsame Geschichte der Staatsbürgerschaft in West- und Osteuropa von der Hochphase des Nationalstaats bis in unsere Gegenwart, die von den Krisen der europäischen Union geprägt ist. Es ist die Geschichte einer zentralen rechtlichen Institution, die Kampfe um Migration, Integration und Zugehörigkeit maßgeblich repräsentiert und zugleich bestimmt. Welche Lehren aus ihr mit Blick auf die Zukunftschancen einer europäischen Staatsbürgerschaft zu ziehen sind, ist eines der Themen dieses Buches.

Global Youth Migration and Gendered Modalities Glenda Tibe Bonifacio, 2019-04-17 Youth migration is a global phenomenon and it is gendered. This collection presents original studies on gender and youth migration from the 19th century onwards from international and interdisciplinary perspectives. An international group of contributors explore the imperial histories of youth migration, their identities and sexualities, the impact of education policies and practices, and the roles, contribution and challenges of young migrants in certain industries and services as well as in communities. These cross-disciplinary themes include cases from Albania, Bangladesh, Canada, Ethiopia, France, Hungary, Italy, Philippines, Senegal, Syria, Turkey, the United Kingdom, and the United States.

Bessere Welten Bernhard Gißibl, Isabella Löhr, 2017-01-12 Kosmopolitismus: ein Kernbegriff der europäischen Aufklärung geht zu den akademischen Modebegriffen der vergangenen Jahre. Dieses Buch lotet erstmals das heuristische Potenzial des Kosmopolitischen für die Geschichtswissenschaften aus. Im Zentrum stehen das konfliktbeladene Aushandeln von Zugehörigkeiten, Ansprüchen und Rechten, die Begegnung mit dem Anderen sowie die normative Reflexion dieser Begegnungen in einer prinzipiell von Ungleichheit und Machtasymmetrien geprägten Welt. Der Band plädiert für Kosmopolitismus als Analyseperspektive, die das konzeptionelle Instrumentarium von transnationaler und Globalgeschichte ergänzt.

Fremde Heimat, fremde Ferne Olga Sparschuh, 2021-11-29 Eine europäische Geschichte der italienischen Arbeitsmigration in der Zeit des Booms. In den 1950er bis 1970er Jahren suchten Millionen von Migranten aus dem Mezzogiorno, dem Süden Italiens, Arbeit in den Boomstrichen Norditaliens und der Bundesrepublik. Während die Arbeitsmigranten innerhalb Italiens wegen der schwachen Nationalisierung markante soziale und kulturelle Grenzen überquerten, erleichterten der deutsch-italienische Anwerbevertrag von 1955 und die Einführung der Freizügigkeit ab 1961 den Grenzübertritt innerhalb der Europäischen Wirtschaftsgemeinschaft. Waren den Migranten die Industriestädte Turin und München im fernen Norden Europas daher gleich fremd? Und waren sie dort auf ähnliche Art andere? Olga Sparschuh zeichnet mit Blick auf die Lebensbereiche Arbeit

Unterkunft und Freizeit ein 24 Stunden Panorama der Migrationserfahrung in beiden Städten auf breiter Quellen und Materialgrundlage aus italienischen und deutschen Archiven zeigt die Autorin dieses verflochtenen Vergleichs dass die Lebensrealität der meridionali in den europäischen Industriestädten nahezu identisch war obwohl sie in einen Fall in und im anderen Fall Ausländer waren und erzählt beide Wanderungen als eine europäische Arbeitsmigration Marriage Migration, Family and Citizenship in Asia Tuen Yi Chiu, Brenda S.A. Yeoh, 2023-06-06 Amidst the increasing global trend of cross border marriage migration this book offers timely theoretical and empirical insights into contemporary debates about migration and citizenship Extant scholarship on marriage migration and citizenship have concentrated on East West inter cultural marriages and tended to approach citizenship as an individual centred concept linked to the nation state thus fading the family into the background Focusing on cross border marriages within Asia a region where collectivist and familistic values are still prevalent this book points to the importance of going beyond the state individual nexus to conceptualise and foreground the family as a strategic site where citizenship is mediated negotiated and experienced Through six critical and in depth case studies on cross border marriages between East Southeast and South Asia this book reveals how nation states mobilize patriarchal notions of the family for its citizenship project how formal frameworks of citizenship structure the trajectory and circumstances of cross border families how the repercussions of marriage migrants citizenship are experienced and negotiated across generations and how the tensions between the individual the family and the state are produced along gender class race ethnic religious cultural geographical and generational boundaries Collectively this book calls for a rethinking of citizenship from an individual centred proposition to a family level concept Its wealth of case studies and examples make it an essential resource for students academics and researchers of Sociology Geography Anthropology Politics International Development Studies and Asian Studies The chapters in this book were originally published as a special issue of Citizenship Studies Ambiguous Citizenship in an Age of Global Migration Aoileann Ni Mhurchu, 2014-07-31 A sustained engagement with the increasingly complicated global transnational and postmodern nature of citizenship

Migrant Encounters Sara L. Friedman, Pardis Mahdavi, 2015-11-13 Migrant Encounters examines what happens when migrants across Asia encounter both the restrictions and opportunities presented by state actors and policies some that leave deep marks on migrants own life trajectories and others that produce fragmentary uneven traces With a focus on those who migrate to perform intimate labor domestic care and sex work or whose own intimate and familial lives are redefined through migration marriage and sometimes parenthood this volume argues that such encounters transform both migrants and the states between which they move Written by an international group of anthropologists sociologists and geographers these essays offer richly detailed and insightful accounts of the intimate consequences of migration and the transformative effects of migrant state encounters across Asia Addressing a range of topics from the fate of children born to unmarried migrant mothers to the everyday negotiations of cross border couples and migrant domestic workers the contributors situate

themselves at various points along the extensive migration routes that extend from northeast Asia all the way to the Gulf region The authors draw on ethnographic research and policy analysis to illustrate the texture of migrants interactions with state actors and forces From a range of perspectives they explore what these encounters teach us about migrant agency and the workings of state power in a region now rife with diverse forms of cross border mobility Contributors Heng Leng Chee Nicole Constable Sara L Friedman Hsiao Chuan Hsia Mark Johnson Hyun Mee Kim Pardis Mahdavi Filippo Osella Nobue Suzuki Christoph Wilcke Brenda S A Yeoh

The New Politics of Immigration and the End of Settler Societies Catherine Dauvergne,2016-03-21 This book analyzes the contemporary politics of immigration from the asylum crisis to Islamophobia multiculturalism and post colonialism

Theorizing Local Migration Law and Governance Moritz Baumgärtel,Sara Miellet,2022-09-22 Explores how analyses of legal processes can inform the theorization of the role of local governments in migration governance

The Globalization of Motherhood Wendy Chavkin,JaneMaree Maher,2010-09-13 The convergence of dramatic declines in birth rates worldwide aside from sub Saharan Africa the rise of untrammelled global movement of capital people and information and the rapid fire dissemination of a host of new medical technologies has led to the globalization of motherhood This book brings together research from the Global North and the Global South to illuminate how contemporary motherhood is being changed by the processes of globalization It locates declining fertility and desire for motherhood in the context of female employment the development of the global market in reproductive technologies the rising transnational labour market demand for feminized carework and changing family forms Focusing on the impacts on women who mother and enable others to do so across diverse contexts the book examines the way in which conception gestation mothering labor and care are being mobilized across national boundaries Bringing together demographers sociologists lawyers public health and social theorists this book will be of interest to students and scholars of globalization studies development studies gender studies feminist politics political economy human rights and social policy

Improving the Governance of International Migration Bertelsmann Stiftung,Migration Policy Institute,2012-01-03 Contemporary states are ambivalent about the global governance of migration They desire more of it because they know they cannot reach their goals by acting alone but they fear the necessary compromise on terms they may not be able to control and regarding an issue that is politically charged Currently there is no formal coherent multilateral institutional framework governing the global flow of migrants While most actors agree that greater international cooperation on migration is needed there has been no persuasive analysis of what form this would take or of what greater global cooperation would aim to achieve The purpose of this book the Transatlantic Council on Migration s fifth volume is to fill this analytical gap by focusing on a set of fundamental questions What are the key steps to building a better more cooperative system of governance What are the goals that can be achieved through greater international cooperation And most fundamentally who or what is to be governed

Foundations of International Migration Law Brian Opeskin,Richard Perruchoud,Jillyanne Redpath-Cross,2012-09-27 A

stimulating survey of the key themes in international migration law **North American Integration** Gaspare M. Genna, David A. Mayer-Foulkes, 2013-07-18 The course of events since the implementation of NAFTA has had unexpected elements with significant impacts on North American integration First has been the rise of China as a larger source of imports and production partner than Mexico Second has been the rise of security concerns since September 11 2001 The result has been much stronger integration between Canada and the US than with Mexico Migration issues are now linked with security which has risen to a top priority in the international agenda While liberalization has furnished strong economic incentives for integration it has not provided a sufficient guide for the political process which requires leadership and appropriate institutions to coordinate and regulate the special interest groups A coherent and effective North American integration would be a valuable asset in the context of global integration and competition yet the issues involved are quite complex and varied North American Integration An Institutional Void in Migration Security and Development examines the current state of North American integration Editors Gaspare M Genna and David A Mayer Foulkes gather an international group of experts to give a broad coherent picture of the current multifaceted process of integration and find that institutional development is an essential component Divided into three sections the book Discuss the determinants of integration and shows that the institutional characteristics of the three countries including democracy and basic rights are the most important Provides examples of institutional building in contexts for which institutions are lacking specifically labor migration and health issues Examines issues such as overall security arrangements trade drug related violence energy and the continuing wage gap among the countries which have an important bearing on integration [Stanford Law Review: Volume 64, Issue 3 - March 2012](#) Stanford Law Review, 2012-04-25 A leading law journal features a digital edition as part of its worldwide distribution using quality ebook formatting and active links The March 2012 issue of the Stanford Law Review contains studies of law economics and social policy by recognized scholars on diverse topics of interest to the academic and professional community Contents for the March 2012 issue include Prosecuting the Exonerated Actual Innocence and the Double Jeopardy Clause By Jordan M Barry From Multiculturalism to Technique Feminism Culture and the Conflict of Laws Style By Karen Knop Ralf Michaels By Kathryn Judge Note Insurmountable Obstacles Structural Errors Procedural Default and Ineffective Assistance By Amy Knight Burns Comment The Gulf Coast Claims Facility and the Deepwater Horizon Litigation Judicial Regulation of Private Compensation Schemes By Colin McDonnell In the ebook edition all the footnotes graphs and tables of contents including those for individual articles are fully linked properly scalable and functional the original note numbering is retained Also the URLs in notes are active and the issue is properly formatted **The Routledge Companion to Bioethics** John D. Arras, Elizabeth Fenton, Rebecca Kukla, 2014-12-05 The Routledge Companion to Bioethics is a comprehensive reference guide to a wide range of contemporary concerns in bioethics The volume orients the reader in a changing landscape shaped by globalization health disparities and rapidly advancing technologies Bioethics has begun a turn

toward a systematic concern with social justice population health and public policy While also covering more traditional topics this volume fully captures this recent shift and foreshadows the resulting developments in bioethics It highlights emerging issues such as climate change transgender and medical tourism and re examines enduring topics such as autonomy end of life care and resource allocation Citizenship in Africa Bronwen Manby,2018-11-29 Citizenship in Africa provides a comprehensive exploration of nationality laws in Africa placing them in their theoretical and historical context It offers the first serious attempt to analyse the impact of nationality law on politics and society in different African states from a trans continental comparative perspective Taking a four part approach Parts I and II set the book within the framework of existing scholarship on citizenship from both sociological and legal perspectives and examine the history of nationality laws in Africa from the colonial period to the present day Part III considers case studies which illustrate the application and misapplication of the law in practice and the relationship of legal and political developments in each country Finally Part IV explores the impact of the law on politics and its relevance for questions of identity and belonging today concluding with a set of issues for further research Ambitious in scope and compelling in analysis this is an important new work on citizenship in Africa

New Dynamics in Female Migration and Integration Christiane Timmerman,Marco Martiniello,Andrea Rea,Johan Wets,2015-04-10 This book explores the dynamic interplay between cross national and cross cultural patterns of female migration integration and social change by focusing on the specific case of Belgium It provides insight into the dynamic interplay between gender and migration and especially contributes to the knowledge of how migration changes gender relations in Belgium as well as in the regions of origin To this end an analytical model for conducting gender sensitive migration research is developed out of an initial theory driven conceptual model Employing a transversal approach the researchers reveal similarities and differences across national backgrounds disclosing the underlying more universal gender dynamics **Justice and Authority in Immigration Law** Colin Grey,2015-04-23 This book provides a new and powerful account of the demands of justice on immigration law and policy Drawing principally on the work of Adam Smith Immanuel Kant and John Rawls it argues that justice requires states to give priority of admission to the most disadvantaged migrants and to grant some form of citizenship or non oppressive status to those migrants who become integrated It also argues that states must avoid policies of admission and exclusion that can only be implemented through unjust means It therefore refutes the common misconception that justice places no limits on the discretion of states to control immigration

Getting the books **Migrations And Mobilities Citizenship Borders And Gender** now is not type of inspiring means. Migrations And Mobilities Citizenship Borders And Gender Introduction

In the digital age, access to information has become easier than ever before. The ability to download Migrations And Mobilities Citizenship Borders And Gender has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Migrations And Mobilities Citizenship Borders And Gender has opened up a world of possibilities. Downloading Migrations And Mobilities Citizenship Borders And Gender provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Migrations And Mobilities Citizenship Borders And Gender has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Migrations And Mobilities Citizenship Borders And Gender. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Migrations And Mobilities Citizenship Borders And Gender. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Migrations And Mobilities Citizenship Borders And Gender, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Migrations And Mobilities Citizenship Borders And Gender has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Migrations And Mobilities Citizenship Borders And Gender Books

What is a Migrations And Mobilities Citizenship Borders And Gender PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Migrations And Mobilities Citizenship Borders And Gender PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Migrations And Mobilities Citizenship Borders And Gender PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Migrations And Mobilities Citizenship Borders And Gender PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Migrations And Mobilities Citizenship Borders And Gender PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out

forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
