[The Politics of Social Media Manipulation](#) Richard Rogers, Sabine Niederer, 2025-10-01 Disinformation and so called fake news are

contemporary phenomena with rich histories Disinformation or the willful introduction of false information for the purposes of causing harm recalls infamous foreign interference operations in national media systems Outcries over fake news or dubious stories with the trappings of news have coincided with the introduction of new media technologies that disrupt the publication distribution and consumption of news from the so called rumour mongering broadsheets centuries ago to the blogosphere recently Designating a news organization as fake or der L genpresse has a darker history associated with authoritarian regimes or populist bombast diminishing the reputation of elite media and the value of inconvenient truths In a series of empirical studies using digital methods and data journalism the authors inquire into the extent to which social media have enabled the penetration of foreign disinformation operations the widespread publication and spread of dubious content as well as extreme commentators with considerable followings attacking mainstream media as fake

The Gentleman's Magazine Or, Monthly Intelligencer for the Year ... By Sylvanus Urban Sylvanus Urban,1865 **Access**

Rebecca Grant,2025-06-24 From the award winning author of *Birth* a journey into the underground activist networks that have been working to protect women s autonomy over their bodies amidst legal political religious and cultural oppression over the past sixty years In this definitive eye opening history award winning author Rebecca Grant charts the reproductive freedom movement from the days before Roe through the seismic impact of Dobbs The stories in *Access* span four continents tracing strategies across generations and borders Grant centers those activists who have been engaged in direct action to help people get the abortions they need Their efforts involve no small measure of daring do spy craft sea adventures close calls undercover operations smuggling sequins legal dramas victories defeats and above all a deeply held conviction that all the risks are worth it for the cause In *Access* we meet a cast of brave bold and unforgettable women the founders of the Jane Collective a group of anonymous providers working clandestinely between Chicago apartments to perform abortions in the pre Roe years the originators and leaders of the abortion fund movement Ver nica Cruz S nchez a Mexican activist who works to support self managed abortion with pills and fights to free women targeted by the criminalization of abortion and Rebecca Gomperts a Dutch doctor who realizes that there is one place abortion bans cannot reach international waters Post Dobbs activist groups have once again stepped up and put themselves on the line to resist Building on the work of their feminist forebearers and international allies they are charting new pathways for access in the face of unprecedented acts to subjugate and control half of America s population Working above ground underground and in legal gray areas they ve helped people travel across state lines for care established telehealth practices and formed community networks to distribute pills for free to people who needed them Drawing on expert research and investigative reporting told with deep compassion and humanity by a journalist who has spent her career on the frontlines of the fight *Access* celebrates the bravery ingenuity and determination of women across decades who have fought for a fundamental human right and serves as an inspiring rallying cry for the work that lies ahead

Mother Trouble Miranda J. Brady,2024-10-01 *Mother Trouble* traces white maternal

angst in popular culture across a span of more than fifty years from the iconic Rosemary's Baby to anti-vaxx mom memes and HGTV shows. The book narrows in on popular media to think about white maternal angst as a manifestation of feminism's unrealized possibilities and continued omissions since the second wave. It interrogates intersecting systems of power which make mothers and their children the most impoverished people in the world and urges a greater appreciation in academic and popular thinking of the work that mothers do. The book calls for an analytical expansion beyond gender to better address the erasure of reproductive labour and especially that performed by migrants and people of colour. It illustrates the continued marginalization of racialized mothers and the disproportionate amount of labour performed by all mothers in a society where their work is devalued. Ultimately, *Mother Trouble* reveals how the unease around white motherhood in the media has become a proxy for the troubles faced by all mothers.

This is likewise one of the factors by obtaining the soft documents of this **Reddit Pro This Month** by online. You might not require more period to spend to go to the books instigation as competently as search for them. In some cases, you likewise complete not discover the publication Reddit Pro This Month that you are looking for. It will entirely squander the time.

However below, later than you visit this web page, it will be correspondingly definitely easy to get as capably as download guide Reddit Pro This Month

It will not say yes many get older as we explain before. You can reach it even if do something something else at home and even in your workplace. so easy! So, are you question? Just exercise just what we come up with the money for below as with ease as evaluation **Reddit Pro This Month** what you considering to read!
