Badir,2024-03-28 This book focuses on Disruption and Change in the Asian region In this context managers and policymakers face a fast transformation of existing structures and business environments From a business perspective change is the adoption of business strategies activities and operations that meet the needs of the firm and its stakeholder today while protecting sustaining and enhancing the human and natural resources that will be needed in the future Disruption refers to the radical changes in existing industries or markets due to technological innovation breakthroughs There is a consensus among scholars and practitioners that organizations must manage the change well to flourish in a competitive business environment Many business models need to be rethought to establish new ways to stay competitive The book with its practical examples gives the reader impulses for new Asian s approaches and encourages the readers to dare to think and act in new ways Safekeeping Jessamyn Hope,2015-06-09 A dazzling debut novel about love loss and the courage it takes to start over It s 1994 and Adam a drug addict from New York City arrives at a kibbutz in Israel with a medieval sapphire brooch To redress a past crime he must give the priceless heirloom to a woman his grandfather loved when he was a Holocaust refugee on the kibbutz fifty years earlier But first he has to track this mystery woman down a task that proves more complicated than expected On the kibbutz Adam joins other lost souls Ulya the ambitious and beautiful Soviet migr e Farid the lovelorn Palestinian farmhand Claudette the French Canadian Catholic with OCD Ofir the Israeli teenager wounded in a bus bombing and Ziva the old Socialist Zionist firebrand who founded the kibbutz Driven together by love hostility hope and fear their fates become forever entangled as they each get one last shot at redemption In the middle of that fateful summer glows the magnificent brooch with its perilous history spanning three continents and seven centuries With insight and beauty Safekeeping tackles that most human of questions How can we expect to find meaning and happiness when we know that nothing lasts **The Bitcoin Genesis:** Jimmy Putnic,2017-11-14 Unlike normal fiat currencies bitcoin doesn t have a central bank or a backing of a national government Instead it is regulated by complex algorithms with new coins being mined when computers solve complex equations All this number crunching is tracked by the blockchain a public ledger of all transactions which is distributed meaning there is no central point of the network that can be shut down It s perhaps analogate to file sharing protocol Bittorrent You can obtain bitcoin by mining them yourself or buying them from an exchange but for that to happen you will first need a wallet There are different ways to get a wallet you can simply store yourself on your hard disk in wallet software running locally or you can use online service and have your coins stored in a cloud Both have advantages and disadvantages E g if your coins were

stored locally if something was to happen to your computer such as your hard disk getting destroyed you lose your cash Conversely if your coins are stored online in an exchange there are more likely to attract hackers Famously in 2015 Mt Gox which was one of the largest bitcoin exchanges was hacked resulting in the virtual highest of 450 000 bitcoins with wooden valued at about 450 million dollars While some coins have since been recovered a large number are still missing due to the way the bitcoin protocol works it s simply wasn t possible to hit the undo button So choose your wallet wisely
