Smart Home Nhl Opening Night 2025:

The Next One Ken Reid, 2025-10-21 Behind the scenes to hockey's hidden superstars the scouts who chase teenage prodigies and might never be across North America and around the world If you attend any junior minor or professional hockey game and you'll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don't just bird-dog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey's favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn't start playing the game until he was eleven years old One scout worked at a maximum security prison only to find himself as a pro scout Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm And Reid takes us behind the scenes at the nascent PWHL where teams furiously scouted their starting lineups with only a few weeks before the season began Always entertaining often illuminating and sometimes hilarious **The Next One** is the ideal book for anyone who wants to understand hockey beyond the ice **Journal of a**

Dissenter Chris Wright, 2025-01-20 This is a lengthy intellectual journal by a political radical that ranges over a variety of subjects such as Marxism capitalism history many schools of modern philosophy psychology economics and contemporary American politics It also includes quite a few personal passages but I've kept those only because they express common experiences and youthful psychological tendencies Its most useful content for students might be its many summaries of good historical and scientific scholarship especially in the journal's second half Ultimately the document is a fairly comprehensive expression of a particular society as refracted through an inquisitive and critical mind from the ages of 15 to 44 Up All NIGHT Rich Trout, 2025-05-24 Up All Night not only grips readers in unrelenting humor but it offers a fresh voice embracing readers with graphic injuries tender recollections big surprises and love Posing nuanced psychological questions while never losing its heart Up All Night traces the challenges of living with undiagnosed Asperger's syndrome before the social disorder became known in 1992 The memoir recaptures the integration of two families Trout and Caspers while showing how impactful a married couple can be despite their incapacity to see the obvious Rich Trout was the boy who'd never have a girlfriend said classmate Michelle West whose rule as one of the three queens in Mr Kucera's sixth grade class intimidated every male student Almost every chapter is hysterical Some are poignant The tale also offers a warning to young people who

recently suffered the loss of a first love or who may face that future trauma With a modest yet entertaining action packed style enhanced by an Aspie s acute long term memory Trout delves into vivid cringe worthy and demoralizing episodes Anyone with fond memories of the years from grade school to college and adulthood will rejoice Trout s move to Hobbs New Mexico or Opposite Land nicknamed for its stark differences from Chicago becomes his springboard to social skills empathy and fatherhood Up All Night circles back to sixth grade in the final chapters when Trout confronts a lingering boogeyman Amidst the laughter filled classrooms and carefree friendships there lies an undercurrent of seeking a desire that pulls our protagonist toward love a force as inspiring as it is devastating Yet this is a journey not just about finding others but about finding oneself amidst the backdrop of societal norms and spiritual beliefs Dr Whitney Boykin Mental Health Professional and Professor of Business The story of a young man maneuvering through the many stages of development while saddled with the complication of Asperger s syndrome was like riding the coattails of a southeast New Mexico dust devil Never knowing the direction each chapter would take the reader anxiously anticipates the next amazing experience seen through the eyes of the author Gay Kernan Former New Mexico State Senator of 21 years Watching Richard develop as a professional with atypical neurological patterns was a great gift The peek into his world provided by his book is such a treat The limitations he had in verbal communication are removed in the written word and you will enjoy his witty and poetic retelling of adolescent angst and male rites of passage Dr Elyn Palmer Director of Graduate Student Success Texas Tech University Rich Trout s challenges as a person with autism and rewards as a son father and friend are vividly conveyed in his memoir that chronicles his journey from the Chicago suburbs to the Southwest In this socio historical and personal account Rich Trout a seasoned journalist is at his best Trout s memoir bears the stamp of inevitability and reflects his passion for the art Peter Mladnic Author of The Homesick Mortician Riveting Just when you think you know a person you turn each page and realize the intricacies you missed Don t walk run Don t hop jump instead Climb trees and even mountaintops if you have to in order to secure your copy Dr Jazmine Brantley Lecturer Texas Tech University

Bamford,2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard s Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard s inaugural season provides a thrilling and expansive portrait of today s NHL Where the Pros Go! in the First World War rich and raw with remarkable detail As he tended to the chores on his homestead Lester Harper never

imagined that he would turn in his hoe for a Lee Enfield rifle on the Western Front But the farmer from Pouce Coupe in northern British Columbia found himself at a party agreeing to help form a small town regiment headed for France and the Great War Lester left behind his wife Mabel in the shadow of the loss of their infant daughter Hilda A marksman before he even volunteered for the Canadian Army Lester joined his cousin and friends thousands of miles from his home mere yards from the bayonets bullets and gas bombs of the feared Boche In *Till We Meet Again* the First World War comes to life in unprecedented detail drawing on Lester's letters as well as meticulous historical research Not since Timothy Findley's *The Wars* Tim Cook's magisterial works about the First World War or Erich Maria Remarque's *All Quiet on the Western Front* has a book about a soldier's life at the sharp end been told with such humour gravitas and in a heart pounding narrative that drops you behind enemy lines For at one point Lester was trapped in a shell hole a heartbeat away from the Germans setting up their machine gun to mow down his comrades This is a remarkable story remarkably told This book will be heralded by historians as a new approach to telling a soldier's story and will become beloved by readers of military history and anyone who wants to understand what life was like for our boys behind the wire *To Walk It Is To See It* Kathy Elkind, 2025-07-30

In 2018 Kathy Elkind and her husband decided to take a grown up gap year in Europe and walk the 1 400 mile Grande Randonnée Cinq GR5 across The Netherlands Belgium Luxembourg and France At fifty seven Kathy has chosen comfort over hardship Unlike the Appalachian Trail and the Pacific Coast Trail the GR5 winds from village to village instead of campsite to campsite She and Jim get to indulge in warm beds and delicious regional food every night and croissants in the mornings The GR5 is not all comfort Walking day after day for ninety eight days bring sickness accommodation struggles language barriers and storm shrouded mountains in the Alps Meanwhile Kathy finds herself reflecting on difficult topics primarily her struggles with dyslexia overeating and shame But she also finds that the walking becomes a moving meditation and the beauty of the landscape heals she begins to discover her own wise strength and as the days unfold she comes to the gratifying realization that a long marriage is like a long trail there are ups and downs and it takes hard work to keep going but the beauty along the way is staggering Written with raw honesty and compassion and rich with dazzling scenery *To Walk It Is To See It* will inspire you to lace up your walking shoes and discover your own path **Los Angeles Magazine** ,2003 **Who's who in Entertainment** ,1992 *Namibia ...
