The Words and Music of Taylor Swift James E. Perone, 2017-07-14 This scholarly analysis of the music of Taylor Swift identifies how and why she is one of the early 21st century s most recognizable and most popular stars By the age of 13 singer songwriter Taylor Swift had already inked a development deal with a major record label This early milestone was an appropriate predictor of what accomplishments were to come Now a superstar artist with an international fanbase of millions and several critically acclaimed and commercially
