Subject Guide to Books in Print, 1993 **Vocational and Technical Resources for Community College Libraries**

Mary Ann Laun, 1995 **Milady Standard** Alisha Rimando Botero, 2015 Milady's Standard Schultes, 2006-08 This book of exam reviews contains questions similar to those that may be found on state licensing exams for nail technology. It employs the multiple choice type question which has been widely adopted and approved by the majority of state licensing boards. This book serves as an excellent guide for the student as well as for the experienced nail technician. It provides a reliable standard against which professional can measure their knowledge, understanding, and abilities. Furthermore, these reviews will help student and professional alike to gain a more thorough understanding of the full scope of their work as they review practical performance skills and related theory. They will increase their ability to evaluate new products and procedures and to be better qualified professional for dealing with the needs of their clients. *Milady's Standard* Sue Ellen Schultes, 2004 Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than 6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus the need for educated and competent nail technicians is expanding in the same way. Milady's Standard Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. Preface *Workbook for Milady's Standard Nail Technology* Alisha Rimando Botero, Milady, 2010-06-25 Milady's Standard Nail Technology 6e Workbook has been designed with detailed interactive exercises to challenge and stimulate students. The workbook contains thought-provoking and intriguing questions in addition to pages filled with challenging puzzles, fun facts, interesting salon scenarios, and hands-on practice exercises that will help students master the techniques a nail technician will use everyday in the salon. Milady's Standard, 2007 This text has been thoroughly revised to include the most up-to-date information available to nail technologists. It provides an excellent overview of topics to get a new nail tech started such as professional image, customer relations, and salon management while thoroughly teaching the nail technologist how to perform the basic processes that will be the starting point for their career. This revised text also focuses on the scientific knowledge that is most important to the nail tech, removing the medical terminology and information that is not useful to them. Special features of the text include business tips in the form of short stories that present helpful information for a successful career in the nail business. State Regulation Alert and Here's A Tip which direct students to additional sources of information. Drawing on the combined expertise of a variety of industry leaders who both wrote and reviewed the text, this revised textbook gives students a thorough understanding of all aspects of nail technology today. *Exam Review for Milady Standard Nail Technology* Milady, 2021-11-23 This title is packed with information on several important topics including infection control, manicuring, pedicuring, chemistry, UV and LED gels, and the salon business. This edition gives the aspiring nail technician the tools they need to pass their licensure exam and to
