Miles The Autobiography:

Miles Miles Davis, Quincy Troupe, 1990-09-15 Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean *Miles* Miles Davis, Quincy Troupe, 1989 **Miles** Marc Antomattei, 2011-03-19 You can't be a Miles Davis completist without owning this book it is a collector's item in and of itself Miles The Companion Guide to the Autobiography is an annotated guide to Miles own book previously released over twenty years ago in 1989 In his autobiography Miles talks in great detail about all of his recording sessions with all his various labels He usually mentions things in detail such as when they were done who was playing with him at that session whose arrangements the tunes were from and so forth Use this annotated sequencing companion guide to help you find and listen to those particular tunes within your collection or to help you track down those missing tracks so you can compile your own soundtrack to his life This guide will give you a perfectly good reason to reread the autobiography and trust me it is better the second time around with this Core content includes A listing of 388 jazz tunes and albums as mentioned by Miles Davis himself in his autobiography Use as a guide to help you find and listen to those particular tunes within your collection or to help you track down those missing tracks so you can compile your own soundtrack to his life Supplemental features of this book include An eleven page summary of the autobiography An exclusive never before seen article Miles Davis vs Wynton Marsalis A listing of all Miles Davis Video Audio Interviews A listing of all Miles Davis DVDs A listing of all Miles Davis Concert CDs A Miles Davis buyers guide for both completists with no spending budget and for conscience spending people An appraisal guide of all Miles Davis special edition CDs including Special edition box sets special anniversary editions remastered editions Japanese editions rare out of print CDs 24k gold CDs Blu Spec CDs SACDs Hybrid SACDs SHM CDs and HQCDs A listing of Miles Davis jazz standards and author's favorites **Miles Davis** Tamra Orr, 2012-09-30 Known to jazz lovers around the world as the Prince of Darkness Miles Davis lived a roller coaster life of highs and lows In this book you will get the chance to meet the musician up close You can follow his lows of grappling with the power of drug and alcohol addiction and racial prejudice to his highs of achieving world fame and appreciation plus becoming a husband father and grandfather Meet the man who created some of the most popular jazz music ever played and find out how his career led him to become an enduring jazz legend **So What** John Szwed, 2004-01-09 Based on interviews with family and friends this account of the jazz great's life reveals the influence of Miles Davis life on his work as well as the musician's persistent desire to reinvent himself **Miles Davis** Ian Carr, 1998 *William H. Seward, an Autobiography from 1801 to 1834* William Henry Seward, Frederick William Seward, 1877 Miles and Me Quincy Troupe, 2000-03-08 Quincy Troupe's candid account of his friendship with Miles Davis is a revealing portrait of a great musician and an intimate study of a unique relationship It is also an engrossing chronicle of the author's own development both artistic and personal As Davis's collaborator on Miles The Autobiography Troupe one of the major poets to emerge from the 1960s had exceptional access to the musician This

memoir goes beyond the life portrayed in the autobiography to describe in detail the processes of Davis's spectacular creativity and the joys and difficulties his passionate contradictory temperament posed to the men's friendship. It shows how Miles Davis both as a black man and an artist influenced not only Quincy Troupe but whole generations. Troupe has written that Miles Davis was irascible, contemptuous, brutally honest, ill-tempered when things didn't go his way, complex, fair-minded, humble, kind, and a son of a bitch. The author's love and appreciation for Davis make him a keen though not uncritical observer. He captures and conveys the power of the musician's presence, the mesmerizing force of his personality and the restless energy that lay at the root of his creativity. He also shows Davis's lighter side: cooking, prowling the streets of Manhattan, painting, riding his horse at his Malibu home. Troupe discusses Davis's musical output, situating his albums in the context of the times, both political and musical, out of which they emerged. *Miles and Me* is an unparalleled look at the act of creation and the forces behind it, at how the innovations of one person can inspire both those he knows and loves and the world at large.

The Routledge Companion to Jazz Studies Nicholas Gebhardt, Nichole Rustin-Paschal, Tony Whyton, 2018-12-07. The Routledge Companion to Jazz Studies presents over forty articles from internationally renowned scholars and highlights the strengths of current jazz scholarship in a cross-disciplinary field of enquiry. Each chapter reflects on developments within jazz studies over the last twenty-five years, offering surveys and new insights into the major perspectives and approaches to jazz research. The collection provides an essential research resource for students, scholars, and enthusiasts and will serve as the definitive survey of current jazz scholarship in the Anglophone world to date. It extends the critical debates about jazz that were set in motion by formative texts in the 1990s and sets the agenda for the future scholarship by focusing on key issues and providing a framework for new lines of enquiry. It is organized around six themes: I Historical Perspectives, II Methodologies, III Core Issues and Topics, IV Individuals, Collectives, and Communities, V Politics, Discourse, and Ideology, and VI New Directions and Debates.

Another Day At The Front Ishmael Reed, 2004-01-08. This powerful essay collection from an award-winning author takes a critical look at America's history of racism and the battles fought through the years by Black Americans. African Americans have been at war with certain elements of the white population from the very beginning. Being Black in this hemisphere is a battle, and each day is one spent at the front. In this new collection of essays, his first since *Airing Dirty Laundry* (1993), Ishmael Reed explores the many forms that this homefront war has taken. His brilliant social criticism feints deftly among past and present government and media, personal and political. From the author whose essay style has been compared to the punching power of boxers Mike Tyson and Muhammad Ali, this book is a series of fast, powerful jabs at America's long tradition of racism. Reed wears the mantle of Baldwin and Ellison like a high-powered Flip Wilson in drag. *Baltimore Sun*. Ishmael Reed is a genius. Terry McMillan. The sweep of his work has both grandeur and genius, and even when you disagree with him, he has you laughing often at yourself. His always provocative writing has humanity, humor, power, and vision. A true original. Jill Nelson.

Same Old Song John Paul Meyers, 2024-03-26.

Popular music and its listeners are strongly associated with newness and youth. Young people can stay up late dancing to the latest hits and use cutting edge technology for listening to and sharing fresh music. Many young people incorporate their devotion to new artists and styles into their own developing personalities. However, if popular music is a genre meant for the youthful, what are listeners to make of the widespread sampling of music from decades old R & B tracks, sold out anniversary tours by aging musicians, retrospective box sets of vintage recordings, museum exhibits and performances by current pop stars invoking music and images of the past? In *Same Old Song The Enduring Past in Popular Music*, John Paul Meyers argues that these phenomena are part of what he calls historical consciousness in popular music. These deep relationships with the past are an important but underexamined aspect of how musicians and listeners engage with this key cultural form. In chapters ranging across the landscape of twentieth and twenty first century music, Meyers finds indications of historical consciousness at work in multiple genres. Rock music canonizes its history in tribute performances and museums. Jazz and pop musicians cover tunes from the Great American Songbook. Hip hop and contemporary R & B singers invoke Black popular music from the 1960s and 1970s. Examining the work of influential artists like Ella Fitzgerald, Bob Dylan, Miles Davis, Kanye West, Prince D'Angelo and Janelle Monáe, Meyers argues that contemporary artists' homage to the past is key for understanding how music lovers make meaning of popular music in the present.

Autobiography of William H. Seward, from 1801 to 1834 William Henry Seward, 1877

Experiencing Jazz Richard Lawn, 2013

Experiencing Jazz Second Edition is an integrated textbook with online resources for jazz appreciation and history courses. Through readings, illustrations, timelines, listening guides and a streaming audio library, it immerses the reader in a journey through the history of jazz while placing the music within a larger cultural and historical context. Designed to introduce the novice to jazz, *Experiencing Jazz* describes the elements of music and the characteristics and roles of different instruments. Prominent artists and styles from the roots of jazz to present day are relayed in a story telling prose. This new edition features expanded coverage of women in jazz, the rise of jazz as a world music, the influence of Afro-Cuban and Latin jazz and streaming audio. Features: Important musical trends are placed within a broad cultural, social, political and economic context. Music fundamentals are treated as integral to the understanding of jazz and concepts are explained easily with graphic representations and audio examples. Comprehensive treatment chronicles the roots of jazz in African music to present day. Commonly overlooked styles such as orchestral jazz, Cubop and third stream jazz are included. Expanded and up to date coverage of women in jazz. The media rich companion website presents a comprehensive streaming audio library of key jazz recordings by leading artists integrated with interactive listening guides. Illustrated musical concepts with web based tutorials and audio interviews of prominent musicians acquaint new listeners to the sounds, styles and figures of jazz.

Course components: The complete course comprises the textbook and Online Access to Music token, which are available to purchase separately. The textbook and Online Access to Music Token can also be purchased together in the *Experiencing Jazz Book and Online Access to Music Pack*. Book and Online
