Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18

This 16 Week Study Guide is exceptionally practical and life transforming. It is taken from the main book Biblical Discipleship: Essential Components for Attaining Spiritual Maturity. However, it is a stand alone book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. **The Comeback**

Bible Study Guide Louie Giglio, 2015-10-20. Feeling like you've blown it. Reached the point of no return. That your life hasn't gone as planned. If so, you are not alone. We all know what it feels like to have life disappoint us and not work out as we'd hoped. We all know what it's like to long for something different, something better, and something more. This six-session video study DVD/digital video, sold separately, shows us how God can use our messes and still make a masterpiece. Drawing on his own experiences and pivotal Bible stories, Louie Giglio, pastor and author of *Don't Give the Enemy a Seat at Your Table*, shows how God is all about comebacks. Samson had blown it repeatedly; nevertheless, he experiences tremendous triumph at the end of his life. The prodigal son, as Jesus describes him, returns home in disgrace only to be welcomed by his father with open arms. The list goes on: Joseph, Moses, and Peter all experienced comebacks. Jesus himself performed the greatest comeback of all by rising from the dead. God is in the business of giving fresh starts, and His plans will always prevail, even when our plans don't. For the times when we feel like our lives are in the garbage and it's hard to see God's plan, this study guide will help you see how God uses our circumstances to strengthen us and fulfill His good plan. How to respond in spirit when our dreams are dashed. How Jesus' life, death, resurrection, and ascension is not only enough to save us but also to sustain us. No matter what kind of disappointment or grief or pain or trouble or heartache we encounter, God always offers a new beginning, a change of heart, and a powerful spiritual turnaround. Our current circumstances do not get the final say in our lives. God does. Designed for use with *The Comeback Video Study*, sold separately. **The Layman's Guide to Systematic Theology** Billy R.

Newman, 2009-12. The Survivor's Guide to Theology M. James Sawyer, 2016-04-11. Men and women embarking on the study of systematic theology quickly find themselves awash in a sea of unfamiliar theological terms, historical names, and philosophical isms. *The Survivor's Guide to Theology* is both a life preserver to help stay afloat and a compass to help navigate these often unfamiliar waters. While many books on systematic theology provide introductory material, still the reader is often forced to dive right into actual theology without adequate framework for understanding. Resources for building this framework are available but scattered. This unique book brings them together in one place. *The Survivor's Guide to Theology* is ideal for both introduction and review/reference. The first part deals with the question, "What is Theology?" It addresses issues, categories, theory of knowledge, and more. The second part surveys nine major theological systems. For each

the author provides history and background overview of content and theological distinctive and a critique The final part provides the reader with biographical sketches of significant theologians a brief dictionary of common theological terms and an annotated bibliography of major theological works

Experience, Culture and Religion in Systematic Theology Edmond Zi-Kang Chua,2023-09-28 Most systematicians take as their starting point the nature of God and scripture as the means by which God s nature is revealed but what would a systematic theology look like that began with an experiential knowledge of God Here Edmond Chua offers a method for just such an approach Beginning with realms of human experience including psychology cultural diversity and religious plurality he builds the framework of a systematic theology that is inclusive and pluriform while retaining the core tenets of a Christian doctrine of God Notwithstanding his novel methodology Chua s argument remains biblically rooted and appreciative of the Christian tradition In the latter half of the book he returns to the classical doctrines of the Trinity Christology evil sin and salvation allowing his inclusive view of the human religious experience to shed new light on the wisdom bequeathed by Paul Augustine Aquinas Luther Barth and others The result is a bold Christian vision that is culturally engaged and globally applicable of interest to systematic theologians while contributing to interreligious dialogue
