Milo And The Green Wagon:

Milo and the Dragon Cross Robert Jesten Upton, 2018-06-01 Milo a fifteen year old boy with a highly developed imagination has fallen through the cracks of his teachers expectations and lands in a world of his own fantasies where he becomes a participant in the Magical Scavenger Hunt Surprised and baffled to find himself in such a strange place he finds a talking cat who agrees to help him navigate the puzzles and trials of the contest When he stumbles onto the discovery of a legendary talisman he attracts the enmity of a powerful vindictive wizard who pursues Milo as he unravels the mythical secrets and properties of the artifact Milo gradually discovers that he must trust his own abilities instead of trying to do whatever others expect of him while remaining loyal to the friends he makes as he follows the clues that come his way When at last the showdown with the wizard comes it is Milo s fundamental belief in himself that he must rely on Includes Readers Guide

Milo and the Green Wagon Lisa M. Umina, 2008-02 An endearing tale based on a true story drawn from the writer s own childhood Similar to an experience Lisa once shared with her brother David Milo and his friends fix an old wagon and use it to collect food and clothing for those in need Jacket

The Oklahoma Kid Kenneth Orr, 2011-04 If you like to read about early western history and at the same time read about the real people who were making it happen this is the right book for you This fictional story is a combination of many stories that were told to me by residents of east central Oklahoma during the years I lived there It covers law enforcement selling whiskey Indians love and family circus tent preachers medicine men and the oil company s takeover of much of Oklahoma s natural assets It is also about how society was reacting to the trials and problems of the common man You will need to put yourself back int history and forget modern day events to enjoy reading this book As you read you will soon find that you are identifying the same kinds of events that happened then with similar events that happen everyday in our current world It is a fact history does repeat itself The only differences are the people and the more modern way things are being done today My first two books were centered on Texas This one was just waiting inside my head to jump out I wanted to tell a tale of the early days in the wonderful state of Oklahoma The West as we refer to our country today was based on several states and the extreems found in all of the areas I hope you enjoy reading this book as much as I enjoyed writing it
