Mindful Teacher, Mindful School Kevin Hawkins, 2017-06-12 This is a book clearly written by an educator who knows mindfulness in schools from the inside The strongest evidence for this is that

Hawkins never gets carried away He recognises that mindfulness is not a panacea that to implement it successfully in schools is a slow and steady process and that above all it must begin with the teachers themselves But Hawkins also recognises how transformative mindfulness can be having experienced it so profoundly himself as an educator in many different contexts His anecdotes give it plenty of colour my favourite is Billy and the Mosquito whilst the practical guidance Chapter 7 on implementation for example makes it of tremendous practical value Richard Burnett Co founder and Director Mindfulness in Schools Project MiSP Former school teacher turned mindfulness consultant Kevin Hawkins truly understands the joys of teaching and the desire to make a real difference in the lives of students as well as the challenges and risks of burnout that most teachers experience on a daily basis With this guide to mindful practice teachers new and experienced can learn how to use mindfulness in their own professional and personal lives as well as how to incorporate it in their teaching to support student wellbeing Combining theory with practice and illustrated with real life stories this guide will show readers what mindfulness is the research and scientific evidence behind it how changing the way you approach situations can transform the way you feel how to manage stress and look after yourself how teaching mindfully can help your students what mindfulness can do for the culture in your school Packed full of DIY exercises activities to use in the classroom and links to resources and further reading this inspiring book will support experienced and new teachers to maintain a healthy work life balance and thrive as a teaching professional FOR EVEN MORE FROM KEVIN Take a look at A Little Guide to Mindfulness a free eBook we created with Kevin for teachers and trainees And don t miss out on his two must read blogs How Well Are We An Education System Under Stress and Exam time take a breath Effective Affective Skills in Action [Why Can't I Meditate?](#) Nigel Wellings,2016-04-12 An accessible guide from an expert on Mindfulness on how to get the most out of meditation and make the practice a permanent part of your daily life Meditation is supposed to be a practice that s relaxing and beneficial so why is it so hard to commit to While many people have taken workshops in meditation a significant number don t maintain their practice for long after the class is finished Mindfulness can help us relax and is great for coming to grips with thoughts that make us depressed or anxious but it can also bring us into a more intimate relationship with ourselves a prospect that can make some feel uncomfortable Yes lots of good things come out of meditation practice but keeping it up is challenging This is where Why Can t I Meditate comes in Full of practical ways to help our mindfulness practice flourish it also features guidance from a wide spectrum of secular and Buddhist mindfulness teachers and personal accounts by new meditators on what they find difficult and what helps them overcome those blocks It takes what is boring painful or downright scary about meditating and shows how these struggles can become an invaluable part of our path If you have been considering meditating but doubted your ability if you are having a hard time continuing or if you ve reluctantly stopped Why Can t I Meditate will help you get your mindfulness practice back on track *Deeper Mindfulness* Mark Williams,Danny Penman,2023-05-25 Use the hidden foundations of mindfulness to rediscover calm and reclaim your life in our chaotic world

There are moments in life that decide your fate They ripple into the future and dictate how you experience the world in the moments that follow either positive and uplifting dark and chaotic or flat and dull What if you could recognise these moments before they seized control of your life What if you could use them to set sail for a better future What if all moments big and small could be harnessed this way In *Deeper Mindfulness* Oxford Professor Mark Williams and Dr Danny Penman reunite to present a new eight week guided meditation programme that takes mindfulness to the next level *Deeper Mindfulness* reveals how the latest advances in neuroscience combined with millennia old wisdom can be used to transform your life These discoveries open the doors to a deeper layer of mindfulness known as the feeling tone This sets the background colour that tinges your entire experience of life It is also the tipping point from which you can reclaim your life in an increasingly stressful and chaotic world Proven effective at treating anxiety stress and depression the practices in *Deeper Mindfulness* offer a new and more fruitful direction for both novice and experienced meditators It also allows the rest of us to approach life with renewed strength vigour and equanimity
