Mindmapping China Language Discourse And Advertising In China:

Mindmapping China Jeanne Boden,2010 Looks at how language in China is closely tied to its rich cultural history and explores how language is used as a political ethical and commercial tool **Africa-China Cooperation** Philani Mthembu,Faith Mabera,2020-10-01 This book offers a range of perspectives on the Africa China partnership in the context of the Forum on China and Africa Cooperation FOCAC Incorporating historical political social and cultural dimensions it offers innovative views on the Africa China relationship that combine theory and practice and critically examines the prospects of a Pan African policy towards China complementary to China s comprehensive African policy The chapters address a number of key questions including What steps are being taken to achieve a more coordinated approach and policy towards China on the African continent Does Africa even need a collective strategy in the first place How would a coherent policy framework affect Africa s relations with Europe and other external partners How do the pillars of the partnership align with the African Union s Agenda 2063 and the United Nation s 2030 Agenda for Sustainable Development **Contemporary Chinese Art** Jeanne Boden,2022-05-06 In the early 1990s artist Xu Bing stamped two pigs with respectively nonsensical Latin words and fake Chinese characters and allowed them to mate in an art gallery The performance of two creatures devoid of human consciousness yet carrying on their bodies the marks of human civilization engaging in the most primal form of social intercourse confronted the public with the tension between nature and civilization The work also addresses the tension between China and the West and therefore perfectly fits the core message of this book Contemporary art in China takes place in a post socialist post Mao context and at the same time a post traditional one searching for balance between aesthetic legacy and modernization It also tries to find its position in the post colonial globalized arena This book explores the tension between individual artistic freedom and a dominant discourse of central Chinese government between China s cultural legacy and modernization and between China and a global art world still dominated by a Western canon As a case study it focuses on the artists who participated in the Venice Biennale in 1993 which was the first time contemporary art from mainland China was structurally invited to participate in a global art context Jeanne Boden has a PhD in Oriental Languages and Cultures Her research focuses on Eurocentrism Sinocentrism and contemporary Chinese art jeanneboden.com Cover picture Xu Bing A Case Study of Transference 1993 94 **The Role of Language and Symbols in Promotional Strategies and Marketing Schemes** Epure, Manuela,Mihăeș, Lorena Clara,2018-09-28 In the increasingly competitive global market successful and meaningful intercultural advertising plays a key role in reaching out to consumers from diverse language and cultural backgrounds Therefore it is crucial for individuals and businesses to be able to navigate the field of marketing communications to cut through the noise in a consumerist society to persuade their target audience The Role of Language and Symbols in Promotional Strategies and Marketing Schemes provides emerging research exploring the theoretical and practical aspects of the power of words and symbols used in promotional strategies and marketing schemes Featuring

coverage on a broad range of topics such as shock advertising branding and celebrity endorsement this book is ideally designed for marketers managers business professionals academicians researchers and graduate level students seeking current research on the use of language and symbols in marketing tactics *Cultural Quantum* Jeanne Boden,2021-01-23 The book can be seen as a manual with practical tools and guidelines for managing cross cultural cooperation and to optimize management styles in cross cultural contexts Every culture has its own logic Terms and concepts such as leadership ownership consensus decision making and many others that we use daily in international management and communication practice are far from universal Successful cross cultural cooperation requires a common framework It is not enough to be aware of cultural differences we need practical tools and guidelines for managing cross cultural cooperation This book introduces and applies the Cultural Quantum Five Step Method developed by Dr Jeanne Boden Business people academics and other professionals find the Cultural Quantum Five Step Method thought provoking and eye opening The ideas contained here will resonate with anyone who deals with colleagues or customers with a different cultural background from their own
