Chapman, 2012-02-29 Very few cars inspire as much affection as the original Mini It s the small car everyone loves to eulogise because it oozes energetic fun classless minimalism and evergreen style But it s also of massive historical importance the 1959 Mini designed by Alec Issigonis set the template from which all successful compact cars have been created ever after It was the technological wonder of its age The original Mini was on sale for 41 years during which its 5.3m sales made it the best selling British car of all time an achievement unlikely ever to be beaten And just when it looked like the little car would shrivel and die BMW had the vision to reinvent it as the planet s most desirable small car range and put it back on the serious motoring map as the MINI Here award winning writer Giles Chapman tells the whole amazing story MINI Cooper Service Manual , 2004 If you own one of these fabulous cars then you know how fun it is to drive And you probably know that

your MINI is packed with some of BMW's latest automotive technology. But if you want to maintain and repair your car yourself or just want to understand what's going on under the bonnet, you'll be wanting the MINI Cooper Cooper S 2002-2004 Service Manual by Bentley Publishers. This is the only comprehensive single source of service information and specifications available for MINI models from 2002-2004.
