Behind the scenes learn how Apple is partnering with businesses to extend their HealthKit HomeKit and GymKit platforms to enhance your experience for years to come List 30 Common Troubleshooting and Maintenance Suggestions This book is specifically for the Series 4 Apple Watch While much of the content applies equally to older models please know that I didn't attempt to cover discontinued features like glances or time travel As a final selling point I make an intentional effort to avoid a few of my pet peeves and those pertain to incomplete or half a ed instructions I frequently see directions such as tap and go to settings but they leave novice users asking tap where In another example I read the instructions mentioned a workout playlist and how to enable it but assumed nothing went awry and something ALWAYS goes awry I intend to cover those bases for you And if I do by chance make the mistake of omitting a critical detail anywhere in this book know that I was probably distracted by my Apple Watch telling me to get moving or to breathe I apologize ahead of time it wasn't intentional
