WRITINGS FOR A CAR BOOT SALE Pamela Theophilus

Gardner, 2020-02-07 In *Writings for a Car Boot Sale* Pamela Theophilus Gardner takes readers on a new literary journey with her eclectic mix of writing to suit all moods. In this collection of short entertaining fiction, fascinating non-fiction and academic essays, there is something for every reader. The book opens with a series of short stories, a selection of fictional sketches and narrative in a variety of forms including realistic fable and drama. This section concludes with a historical story based on an episode in the life of the potter and ceramic artist William Billingsley, which links nicely to Pamela's second collection, *non-fiction ceramic mysteries*. Well illustrated, the mysteries are accessible to all readers with or without an interest in ceramics. Dating from early to late nineteenth century social history, and the characters populating the stories feature as strongly as does the porcelain. The book concludes with two more challenging essays stemming from Pamela's academic interest and professional experience in diet and health, and exploring a blend of science and the politics of food policy.

Catch Mumps at the Boot Sale Douggie Barker, 2015-09-08 I wonder how many times you've said to yourself: If only I could live my life again. Well, if you're anything like me, then you've asked this hundreds of times. But we can't live our lives over. It's as plain and simple as that. We should all remember the best moments of our past life and enjoy the moment we are living in right now. This little book has its roots in life, the real life of me and my little dog Mumps. Set against the backdrop of many weekends spent beaver-ing away at the national pastime of car booting, *Catch Mumps at the Boot Sale* is full of anecdotes, suspense and tragedy. A good dose of humour is thrown in for good measure. Life is humorous. If only we could see the funny side of things, no matter how bad it gets. Any doctor will tell you that laughter is one of the best medicines he or she can prescribe, so why not grab yourself a dose by dipping into this little novel. Not laughing is for your wife when you ask her if you can borrow her lipstick because your girlfriend has smudged hers on your best white collar. This novel is not one of those books where you have to plough through pages and pages of description to get to the point. The chapters in this book are succinct, single doses. They are to be injected straight into your funny bone whenever you need a dose. Enjoy. **Die Deals von Warren Buffett - Vol. 3** Glen Arnold, 2025-10-09 Als wir Buffett am Ende von Band 2 verliehen hatte, er ein Vermögen von einer Milliarde Dollar erreicht.
