*Flexible Web Design* Zoe Mickley Gillenwater,2010-04-16 Liquid or fluid layouts change width based on the user s unique device viewing size These types of layouts have always been possible with tables but offer new design challenges as well as opportunities when built with CSS This book for experienced Web designers with some CSS experience outlines how to do

this successfully Designers will learn the benefits of flexible layouts and when to choose a liquid elastic or hybrid design They will learn not only how to build a liquid layout from scratch using standards compliant and cross browser compatible X HTML and CSS but will also learn how to design and slice their graphic comps in a way that makes flexible design achievable This book will show designers that flexible layouts do not have to be visually boring or difficult to build when planned and built correctly Even those who do not intend to build liquid layouts can use the concepts and techniques taught in this book to improve their fixed width CSS designs because they will learn how to design for the inherent flexibility of the web medium instead of the rigid qualities of print media or table grid based layouts

**The Heart of Business** Hubert Joly,2021-05-04 A Wall Street Journal Bestseller Named a Financial Times top title How to unleash human magic and achieve improbable results Hubert Joly former CEO of Best Buy and orchestrator of the retailer s spectacular turnaround unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business Back in 2012 Everyone thought we were going to die says Joly Eight years later Best Buy was transformed as Joly and his team rebuilt the company into one

of the nation's favorite employers vastly increased customer satisfaction and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of Business*, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose, put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book, Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in human magic. *The Heart of Business* is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.
