Privileged Victims Eddie Scarry, 2020-02-25 America's worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so-called privilege and entitled brats claiming victim status The country is under siege and America's most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle-like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity-first dogma that's replacing America's meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it's a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it's a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It'll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn't care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly

The Genius of Bob's Burgers Margaret France, 2021-12-16 Given the limitless freedom of animation why would anyone use it to make a sitcom about a struggling family owned burger place And why would audiences embrace this greasy fantasy not just by tuning in but by permanently decorating their legs and arms with images from the show and writing detailed backstories for its minor characters This book length critical study of Bob's Burgers examines the moments in which the animated sitcom exposes the chasms between generations explores gender and sexual identity and allows fans to imagine a better world Essays cover how the show can be read as a series of critiques of Steven Spielberg's early blockbusters a rejection of Freudian psychology or an examination of the artificiality of gendered behaviors through the cross casting of characters like Tina and Linda By tracing the ways that the popular reception of Bob's Burgers reflects changing cultural attitudes the essays provoke broader questions about the responsibility of popular entertainment to help audiences conceive of fantasies closer to home fantasies of loving and accepting parents of creative self assured children and of menus filled with artisanal puns
