

Milady's Hair Removal Techniques: A Comprehensive Manual

This helpful guide provides the most complete source for those seeking to expand their knowledge on a variety of hair removal techniques. You'll receive basic information and instruction on both temporary and permanent methods of hair removal, including waxing, electrolysis and lasers. The author fully explains each technique, including the evolution of the method, histology of the skin, and the safe and sound methods of sanitation, sterilization and hygiene as prescribed by OSHA. Each procedure is supported by helpful step-by-step photographs and/or illustrations to reinforce proper protocol. Information on how the method works to remove hair is provided, including the length of time before regrowth occurs and any potential side effects.
