Military Intelligence Blunders John Hughes-Wilson, 2023-03-30 A cracking good read I will recommend this book to anyone Professor Richard Holmes CBE The Falklands Yom Kippur Tet and Pearl Harbor Avoidable intelligence blunders or much worse Altogether a compelling read from someone who knows the business Nigel West This book is a professional military intelligence officer's and controversial insider's view of some of the greatest intelligence blunders of recent history It includes the serious developments in government misuse of intelligence in the US led coalition's 2003 war with Iraq as well as failures of intelligence in Ukraine following Russia's invasion in February 2022 Colonel John Hughes Wilson analyses not just the events that conspire to cause disaster but why crucial intelligence is so often ignored misunderstood or spun by politicians and seasoned generals alike This book analyses how Hitler's intelligence staff misled him in a bid to outfox their Nazi Party rivals the bureaucratic bungling behind Pearl Harbor how in fighting within American intelligence ensured they were taken off guard by the Viet Cong's 1968 Tet Offensive how overconfidence political interference and deception facilitated Egypt and Syria's 1973 surprise attack on Israel why a handful of marines and a London taxicab were all Britain had to defend the Falklands the mistaken intelligence that allowed Saddam Hussein to remain in power until the second Iraq War of 2003 the truth behind the US failure to run a terrorist warning system before the 9/11 WTC bombing and how governments are increasingly pressurising intelligence agencies to spin a party political line

History's Greatest Military Mistakes Close Up Bill Lucas, 2015-07-15 This captivating book goes where other history books fear to tread history's military blunders Often though more is learned from failure than triumph Iconic battles covered include the Battle of New Orleans the Battle of Antietam The Battle of Little Bighorn and the Battle of Stalingrad among many others Each account focuses on precisely what went wrong the strategic failings as well as the human ones in an effort to educate readers on the consequences of military engagement This book is a perfect addition for Core Curriculum studies in world history

The 100 Worst Military Disasters in History John T. Kuehn, 2020-01-16 The 100 Worst Military Disasters in History is a fascinating collection that educators students and historians will all find useful in helping them understand the causes and consequences of the most infamous military failures in history The dynamics of military disaster are equally if not more important as understanding how to achieve success on the battlefield This comprehensive book covers the complete gamut of human history as it tells the compelling stories of the worst military debacles of all time It covers battles campaigns and wars starting with the ancient Persians and Greeks and finishing with the US conflicts in Afghanistan and Iraq Not limited to land warfare however the book also includes a number of the most disastrous naval engagements and campaigns in world history This title opens with a detailed introduction

illuminating the role military strategy and politics played in some of the worst battlefield failures throughout history The entries are augmented with several engaging sidebars related to various military disasters This eclectic collection includes coverage of many lesser known military disasters such as the Taiping Rebellion during which 20 times more Chinese died than the number of people killed in the American Civil War *Military Blunders* Steven Eden,1995 An account of historical military defeats born of blunders ineptness and other obstacles to victory unlimited to any one country or empire MIL ...
