2021 Business Book Awards Through her phenomenally popular and award winning podcast *She's on the Money* Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-judgemental and motivating, Victoria is a financial adviser who knows what millennial life is really like and where we can get stuck with money stuff. Did someone say Afterpay? So to help you hit your money goals without skimping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes tricky psychology surrounding money so you can establish the values, habits and confidence that will help you build your wealth long term. This indispensable guide will help you to discover how personal stories shape financial decisions and set ambitious goals. Master budgeting and cash flow essentials, positioning finances for success. Navigate the basics of banking, investing, home loans and effective debt management. Understand superannuation taxes and the benefits of side hustles for income boosts. Integrate financial wisdom into relationships, family planning and ensure legacy with estate planning. Decide on the right financial guidance and remain accountable with a 12-month actionable plan. Just like the podcast, the book is full of real-life money stories from members of the *She's on the Money* community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around too. And with templates and activities throughout plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey and with the money principles in this book, you'll go further than you ever thought possible.
