Las Vegas Dreams , Wisdom Ii George D. Johnson,2008-10-15 Throughout history philosophers have sought to understand the nature of wisdom and how to achieve it but Reverend George Johnson s Wisdom II explains that true wisdom comes from above and is a necessity for daily living For centuries many people grew up in homes defined by tradition and wisdom while others grew up in homes defined by whim and lack of knowledge Wisdom II informs us that a wise person seeks understanding and knowledge and anyone can receive it if he or she seeks it Wisdom gives voice to the voiceless help to the helpless and hope to the hopeless With this said Johnson s own wisdom has directed him to construct Wisdom II using an unconventional pattern where readers do not necessarily have to read prior chapters in order to understand future chapters Wisdom s inspiring words captivate readers as each chapter tells a story tells us what to do and tells us what not to do Wisdom II touches on every aspect of life from individuals getting rid of baggage that so easily weighs us down to learning how to enjoy life by smelling the roses To this end Wisdom II is an inspirational manuscript full of voices of wisdom and ethics for everyday living **Small Loans, Big Dreams** Alex Counts,2008-03-31 Microfinancing is considered one of the
