Thomas West (Wesleyan Minister.),1857 *Learn to lead yourself, your people and your organization for great results* ,2023-12-20 Putting people first has always been the basis of our success We believe that if we take care of our employees they will take care of our customers and the business will take care of itself Even after the 9 11 terrorist attacks in New York where we went from an occupancy rate of 75 to 5% overnight where our hotels were empty of guests but full of staff putting people first was the our priority Instead of suffering massive layoffs we implemented education programs maintained health benefits and did everything we could to get through the crisis with minimal negative impact on our people In a business like ours and I believe in any other sector we simply cannot be successful unless people are truly committed and happy in their work It is our commitment to create an environment where the unique contributions of our people are valued I believe the fact that Marriott is consistently considered an employer of choice is the result of these efforts Promoting a people first culture starts with leadership Leaders must model the way They must act interact and engage with the people they lead in a way that makes people feel seen heard and valued In *The Mind of the Leader* Rasmus Hougaard and Jacqueline Carter provide a clear path to creating people first organizations It requires leaders to be human first to be mindful selfless and compassionate and in doing so develop the qualities that enable engagement fulfillment and meaning which leads to greater business success If we as leaders are attentive we will know better what really matters to our people We are more present attentive and curious It s not always easy but I know the difference between being present with my people and when I m not I only have an impact when I am If we as leaders are selfless taking into account the bigger picture rather than our own selfish needs we will model cultures of growth and learning Bill Marriott our executive chairman even now in his eighties always has his ear open He is always seeking the perspective of others rather than blindly following his own beliefs and ideas If we as leaders are compassionate our people will know we are protected As this book clearly describes compassion is not soft and sentimental It is concrete and practical It s about doing the right thing like putting a doctor on staff during the

Depression Again if we truly care about our employees they will truly care for our customers and the business will truly care for itself In many ways the principles in this book run counter to the number of businesses run It inspires me and provides insights to further evolve our culture and put people first And I believe that all leaders and other organizations will benefit greatly from its messages *Engineering and Mining Journal* ,1894 The Wesleyan-Methodist Magazine ,1833 **Public Speaking for Criminal Justice Professionals** Thomas Mauriello,2020-07-06 Public Speaking for Criminal Justice Professionals A Manner of Speaking is a one of a kind public speaking guide specifically written for criminal justice professionals written by a criminal justice professional Author Thomas Mauriello has worked his entire professional career both as a practitioner and as an educator in the fields of criminal justice and forensic science This book outlines the public speaking skills he has learned used and taught to thousands of criminal justice forensic science security and counterintelligence professionals over the years The book can either be read from cover to cover to fine tune the reader s existing oral communication skills or read in a modular fashion as a reference guide to focus on certain skills and techniques A list of over 55 proven effective presentation tools will be listed discussed and demonstrated throughout the book using illustrated criminal justice and forensic sciences topic examples Contrary to popular believe simply knowing your subject or being an expert in the subject does not guarantee a successful presentation Aristotle who many recognize as the Father of Public Speaking and Forensic Debate said it best when he declared It is not enough to know what to say one must know how to say it This guide focuses on technique and the recognition that a speaker must have of both the subject and the listener The purpose is to improve readers skill level and ability to engage and thereby inform the listener Whether preparing to speak to one person or one thousand people Public Speaking for Criminal Justice Professionals provides specific techniques for professionals to speaking with confidence and present effective engaging presentations Harlequin Special Edition March 2022 - Box Set 1 of 2 Judy Duarte,Melissa Senate,Carrie Nichols,2022-02-22 Harlequin Special Edition brings you three new titles for one great price available now These are heartwarming romantic stories about life love and family This Special Edition box set includes ANYONE BUT A FORTUNE A Fortunes of Texas The Wedding Gift novel by USA TODAY bestselling author Judy Duarte Self made woman Sofia De Leon has heard enough about the old money Fortune family to know that Beau Fortune is not to be trusted And now that they are competing for the same business award he is also her direct rival It is just a hot Texas minute though before ambition begins warring with attraction HOME IS WHERE THE HOUND IS A Furever Yours novel by Melissa Senate Animal rescue worker Bethany Robeson already has her hands full with an inherited house and an overweight pooch named Meatball She doesn t dare make room for Shane Dupree her former high school sweetheart now a single dad Bethany doesn t believe in starting over but Shane baby Wyatt and Meatball could be the family she always dreamed of THE HERO NEXT DOOR A Small Town Sweethearts novel by Carrie Nichols Olive Downing has big dreams for her Victorian bed and breakfast She doesn t need her handsome new neighbor pointing out the flaws in her
