Mine Yours Human Rights For Kids:

Children's Human Rights in the USA Yvonne Vissing, 2023-07-19 This book critically examines why a human rights framework would improve the wellbeing and status of young people It explores children s rights to provision protection and participation from human rights and clinical sociological perspectives and from historical to contemporary events It discusses how different ideologies have shaped the way we view children and their place in society and how despite the rhetoric of children s protection people under 18 years of age experience more poverty violence and oppression than other group in society The book points to the fact that the USA is the only member of the United Nations not to ratify a children s human rights treaty and the impact of this decision finds US children less healthy and less safe than children in other developed countries It shows how a rights respecting framework could be created to improve the lives of our youngest citizens and the future of democracy Authored by a renowned clinical sociologist and international human rights scholar this book is of interest to researchers students social workers and policymakers working in the area of children s wellbeing and human rights

Human Rights in Turkey Hasan Aydin, Winston Langley, 2020-12-09 The book provides the historical setting of Turkey related to the development of democracy human rights issues the treatment of cultural and ethnic minorities and the short and long term consequences of the crackdown including impacts on individuals institutions like education and the media the criminal justice system the economy and Turkey s standing in the international community Since the foundation of the Republic of Turkey the military and the media have been the main traditional powers of oppressive secularist and nationalist regimes in the country After a period of initial reforms rather than eliminating the structures of the authoritarian state Recep Tayyip Erdo an seized the levers of power and used them aggressively against his political enemies He turned Turkey into a one man regime after the failed coup attempt on July 15 2016 and his actions included the widespread violation of human rights This book tells the tale of the consequences of the measures taken after the failed coup attempt that have adversely impacted the development of democracy and human rights in Turkey altering the nation s course of history Beginning with a State of Emergency that was declared in July of 2016 Turkey has moved to a more authoritarian state Among the consequences of the actions taken have been imprisonment of hundreds of thousands the shuttering of media the dismissal of public employees the dismissal of academics jailed elected Kurdish politicians and the misuse of the criminal justice to victimize the population Adverse effects have included widespread violations of human rights torture and mistreatment of prisoners false imprisonment and the absence of the right to a fair trial This book examines some of the thorniest questions of Turkish democratization and human rights including the underlying reasons for the decay of democracy and what has happened as a result of this decay Among these is a deterioration of the educational system a reduction in economic stability the absence of the rule of law and due process a radical transformation of the country and violations of universal human rights Endorsements As one who knows people who have been victimized by the authoritarian

In Your Eyes I See My Words Pope Francis,2020-04-14 In Your Eyes I See My Words Volume 2 contains Pope Francis s homilies and speeches spanning from 2005 to 2008 Continuing what began in the first volume of this three volume publication Volume 2 shows Archbishop Bergoglio s growth as a pastor and a theologian scholar in the midst of his people At the same time it shows him emerging as an international voice calling for changes in the way the Church carries out its ministry and its educational task on behalf of children youth adults and church ministers In his homilies from Christmas Easter and especially in his response to the tragic fire and deaths of 194 people at the nightclub Republica Croma on we see Bergoglio speak passionately to his parishioners challenging them with equal portions of tenderness and righteous anger Perhaps uniquely we also watch as his audiences prominence and influence grow globally foreshadowing who he will become in 2013 when he is elected Pope On the larger national and international scale Bergoglio addresses various conferences such as the Argentina Press Association and the Episcopal Conference of Argentina of which he was elected President in 2005 and served the maximum possible term of six years We see and read as

his work takes him outside his country to Rome 2007 at the Pontifical Commission for Latin America to Brasil 2007 where his presentation on the Crisis of Civilization and Culture at the Fifth CELAM Conference ends up shaping much of the Aparecida Conclusions and finally to Quebec 2008 as he speaks at the Forty Ninth International Eucharistic Congress All told In Your Eyes I See My Words Volume 2 is a glimpse into a period of time in which Archbishop Bergoglio grows immensely in thought reflection and action laying the groundwork for the mature thoughtful and beloved Pope Francis he has come to be known as around the world

My Child Told Me They're Trans...What Do I Do? Brynn Tannehill, 2023-02-21. My child just came out to me as trans. What should I do? If you are a parent looking for an answer to this question, you have come to the right place. Gathering together practical advice and personal experiences from a range of parents, activists and experts, this FAQ book provides answers to the most common questions you will have as a parent of a transgender child. What if they change their minds? How do I make sure my child is safe at school? How do we tell our other children? Sharing their experiences of how they navigated their child's transition to raise a happy and healthy child, the parents in this book will give you the tools you need to support your trans child to thrive while the experts provide a research-based perspective on supporting trans youth. With answers to everything you need to know from social transition, mental health and medical care through to schools, faith and your personal feelings as a parent, this is the ultimate resource for any family with a trans child.

Silicon Valley Imperialism Erin McElroy, 2024-02-02. Erin McElroy maps processes of gentrification, racial dispossession and economic predation in the San Francisco Bay Area and post-socialist Romania to expose the mechanisms through which global techno-capitalism devours space and societies in order to expand its reach.

Buying your Way into Heaven, 2019-02-11. Education is commonly thought to be a haven for the young. No matter how unstable the polity, no matter how dismal the prospects for the economy, education investments are often treated as sacrosanct. This is one reason for the popularity of education as part of foreign aid. Who could object to providing more opportunity for young people to study? Recently, however, it has been discovered that education systems can be as corrupt as other parts of government and the economy and that values of fairness and impartiality, once thought to be universal characteristics of education systems, can be supplanted by the interests of specific individuals, families and ethnic groups. Education corruption has now been found in all regions of the world, but it manifests itself in different ways. How do these differ from one region to another? What should be done to minimize education corruption? And what should be done to protect universities and employers in areas situated where there is little corruption from the products of those parts of the

world where education corruption is the norm This book will explain the meaning of education corruption and how it works it will provide illustrations from Asia Africa Southeastern Europe and the former Soviet Union and it will propose actions and policies on the part of regional and international agencies to counter act what is now likely to become a new and unexpected global crisis
