Overworld Desperate with this new revelation the Dragon decided to go to the Overworld himself to check things and find the missing players and even save them in case they were in trouble so that they could one day battle against the Dragon After getting teleported to the Overworld with some help from his fellow friends Endermen the Dragon is now on a quest where the regular roles have been inverted it s the Dragon who is looking for the players and not the other way around What happened to the humans from this world What led to their disappearance And who is behind it Book 2 The Reverse Dragon The mighty Ender Dragon left The End after being teleported by his friends the Endermen He set off on a mission to look for the location of the players after hearing from his Endermen that the players had suddenly disappeared In his journey in the Overworld the Dragon met two humans Jack and Anna The couple agreed to help the Dragon in finding the remaining survivors and on their brave mission they found a mysterious Witch who possessed an amazing ability the power to predict the future With this ability the Witch foresaw the human s location but she was not able to tell with certainty where they were The Dragon and his two human friends managed to solve the riddle and found the human s location the Nether After successfully saving the humans and returning to the Overworld the Dragon was shocked with a revelation there was a second Dragon in the world and he was being helped by a group of Endermen Now the Ender Dragon will need the help from Anna and Jack once again and even the survivors will have to lend them a hand in their new quest They need to find out why there is another Dragon in the world Why did he take the humans to the Nether with the help of the Endermen What are his plans And why does he exist after all Book 3 Dragon Versus Dragon Anna Jack the survivors and the Ender Dragon are in deep trouble After setting out on their quest to find the Reverse Dragon and his Endermen they discovered more about his malefic plans the Reverse Dragon is after secret ingredients which are scattered all over the world These ingredients form the Uncraftable Potion a powerful and unique item that can grant its holder fantastic powers With this potion the Reverse Dragon could finally defeat the Ender Dragon becoming the only Dragon of the world and getting rid of all remaining creatures The Reverse Dragon managed to capture the Witch and she was forced to show him the exact location of the first ingredient Now the Reverse Dragon is looking for the remaining two ingredients which can only be found by their own guards who are the two other Witches What kind of magical powers do the other Witches possess What can one achieve with the Uncraftable Potion And what will be of the world if the Reverse Dragon puts his paws on it At this point a battle between the two Dragons is inevitable and the winner will be defined by the one who gets to the potion first Author s Note This short story is for your reading pleasure The characters in this Minecraft Adventure Series such as Steve Endermen or or Herobrine etc are based on the Minecraft Game coming from Minecraft r TM c 2009 2013
