Irresistible Faith Scott Sauls, 2019-01-22 I love everything that Scott Sauls writes Christine Caine What if Christians became the best advertisement for Jesus Jesus said his followers would be a light to the world and a city on a hill a warmly inviting neighbor loving grace and truth filled destination for all He envisioned his followers as life giving neighbors bosses employees and friends the kind of people who return insults with kindness and persecution with prayers Rooted in biblical convictions they would extend love empathy and care to one another as well as to those who don t share their beliefs Over time their movement would become irresistible to every nation tribe and tongue Irresistible Faith is a blueprint for pursuing this vision in our current moment of redeemed individuals and a renewed community working for a restored world This is a way of being that gives a tired cynical world good reason to pause and reconsider Christianity and to start wishing it was true I miss the kind of church Scott describes in this book and I don t think I am alone Donald Miller author of Blue Like Jazz and Building a StoryBrand An important call to resist the urge to lobby and position ourselves but rather to be driven by gospel powered love Raechel Myers founder and CEO of She Reads Truth An antidote to much that is wrong with our Western American version of Christianity Gabe and Rebekah Lyons authors and founders of Q

Narrative Mechanics Beat Suter, René Bauer, Mela Kocher, 2021-06-10 What do stories in games have in common with political narratives This book identifies narrative strategies as mechanisms for meaning and manipulation in games and real life It shows that the narrative mechanics so clearly identifiable in games are increasingly used and abused in politics and social life They have many faces displays and

interfaces They occur as texts recipes stories dramas in three acts movies videos tweets journeys of heroes but also as rewarding stories in games and as narratives in society such as a career from rags to riches the concept of modernity or market economy Below their surface however narrative mechanics are a particular type of motivational design of game mechanics

Experimental Games Patrick Jagoda, 2020-12-07 In our unprecedentedly networked world games have come to occupy an important space in many of our everyday lives Digital games alone engage an estimated 2.5 billion people worldwide as of 2020 and other forms of gaming such as board games role playing escape rooms and puzzles command an ever expanding audience At the same time gamification the application of game mechanics to traditionally nongame spheres such as personal health and fitness shopping habit tracking and more has imposed unprecedented levels of competition repetition and quantification on daily life Drawing from his own experience as a game designer Patrick Jagoda argues that games need not

be synonymous with gamification He studies experimental games that intervene in the neoliberal project from the inside out examining a broad variety of mainstream and independent games including StarCraft Candy Crush Saga Stardew Valley Dys4ia Braid and Undertale Beyond a diagnosis of gamification Jagoda imagines ways that games can be experimental not only in the sense of problem solving but also the more nuanced notion of problem making that embraces the complexities of our digital present The result is a game changing book on the sociopolitical potential of this form of mass entertainment
