

Title: The Three Little Pigs

Once upon a time, there were three little pigs. They wanted to build houses to keep them safe.

The first little pig built a house of straw. It was quick to make, but not very strong.

The second little pig built a house of sticks. It was a bit stronger than straw, but still not very strong.

The third little pig worked hard and built a house of bricks. It took a long time, but it was very strong and safe.

One day, a big bad wolf came to the houses. He huffed and he puffed, and he blew down the straw house. The first little pig ran to his brother's house made of sticks.

The wolf huffed and he puffed again, and he blew down the stick house too. Now, the two little pigs ran to their brother's house made of bricks.

The wolf tried to blow down the brick house, but it was too strong. He couldn't blow it down!

The three little pigs were safe in the strong brick house. And they all lived happily ever after in their safe brick house.

The moral of the story is: It's important to work hard and do things properly, even if it takes more time.

The end.
