Athlete's Guide to Agents, Fifth Edition , I Love Being the Enemy Reggie Miller, 1999-04 Reggie Miller on the New York Knicks I m telling you right now I hate the Knicks Absolutely hate those kids Face it The Knicks are dirty players Let me take the back They re not dirty players but when things aren t going New York s way they re going to do whatever it takes to win And if that means hurting someone then they ll do it I m not going to say that s dirty but sometimes they take it to the extreme On the mental side of the game Everybody in the NBA knows how to play basketball or else they wouldn t be there But what separates the good players from the great players is their mental capacity not only to overcome their opponent but to get through the tough spots I always feel mentally stronger than any opponent I step on the same floor with He might have more talent than I do but I don t think anybody is mentally stronger than me I ll match wills with anybody On determination On Cheryl Miller Cheryl I got 39 Reggie that s great Yeah so how d you do Uh I got 105 Thing was Cheryl didn t say it to be mean But damn 105 points in one game But I got my revenge a few years later We got out to the court and shesaid Your ball I

told her she could have it first So she kind of crouched down made her usual strong first move got right past me and put up the shot Cheryl paused for a moment and then said in a real serious tone We re going to play Hors An Athlete's Guide to Agents Robert Ruxin,2009-11-20 Student athletes need to begin thinking about the agent selection process much earlier than their senior year of college The understanding of what an agent does why they are paid and what should go into their selection should begin early in an athletes life An Athletes Guide to Agents Fifth Edition is designed to better prepare athletes and their families to screen select and work with an agent It teaches families about the importance of sports agents and allows athletes and their families to be active participants instead of handing all power away to a sports agent upon signing an agency contract A Spectator's Guide to Basketball Dan Sperling,1983 *The Comprehensive Guide to Careers in Sports* Glenn Wong,2009 As more students enter the growing field of sports management there is a greater need for information informing them about their career choices Careers in Sports provides an overview of what students should consider and expect from the varied career options available to them This book answers the questions students are most likely to have including what courses they should take what areas are available to them what salary can they expect to earn after graduation and how they can get the job of their dreams In the highly competitive field of sports management it is important for individuals to prepare themselves well and to make the right decisions along the way Although there are no guarantees of success this book will increase students likelihood of finding success in the sports industry Encouraging research and realistic expectations this book has been developed by an author with many years of experience as a respected practitioner teacher and internship coordinator An Athlete's Guide to Agents Robert H. Ruxin,1993 *The Coach's Guide to Teaching* Doug Lemov,2020-12-07 The mark of a great coach is a constant desire to learn and grow A hunger to use whatever can make them better The best selling author of Teach Like a Champion and Reading Reconsidered brings his considerable knowledge about the science of classroom teaching to the sports coaching world to create championship caliber coaches on the court and field What great classroom teachers do is relevant to coaches in profound ways After all coaches are at their core teachers Lemov knows that coaches face many of the same challenges found in the classroom so the science of learning applies equally to them Unfortunately coaches and organizations have a mixed level of understanding of the research and study of the science of learning Sometimes coaches and organizations build their teaching on myths and platitudes more than science Sometimes there isn t any science applied at all While there are thousands of books and websites a coach can consult to better understand technical and tactical aspects of the game there is nothing for a coach to consult that explicitly examines the teaching problems on the field the court the rink and the diamond Until now Intended to offer lessons and guidance that are applicable to coaches of any sporting endeavor including everyone from parent volunteers to professional coaches and private trainers Lemov brings the powerful science of learning to the arena of sports coaching to create the next generation of championship caliber coaches **Video Source Book** ,2006 A guide to programs
