Humanocracy, Updated and Expanded Gary Hamel, Michele Zanini, 2025-08-26 A powerful new edition of the Wall Street Journal bestseller that helps leaders build radically more human and capable organizations Now more than ever we need organizations that are daring resilient and creative Unfortunately when confronted by unprecedented challenges most companies and institutions prove to be timid plodding and orthodox The culprit is bureaucracy With its top down power structures and rule choked systems bureaucracy hobbles ingenuity and innovation In a time of upheaval these long tolerated impediments are fast becoming competitively and economically untenable Humanity needs and deserves something better In Humanocracy Gary Hamel and Michele Zanini make a passionate data driven argument for uninstalling bureaucracy and reinventing management as we know it In this extensively updated and expanded edition readers will find new and compelling case studies the latest research findings and a wealth of fresh and provocative insights Humanocracy is both a manifesto for institutional renewal and a blueprint for building

organizations that are as courageous energetic and ingenious as the people inside them Essential building blocks include Motivation Rallying colleagues to the challenge of reimagining management as usual Models Leveraging the experience of vanguard organizations that have successfully disrupted the bureaucratic status quo Mindsets Escaping the industrial age thinking that undermines the quest to build radically more capable organizations Mobilization Activating a pro change coalition to hack outmoded management systems and processes Migration Embedding the principles of humanocracy ownership markets meritocracy community openness experimentation and paradox in your organization s DNA If you ve finally run out of patience with bureaucratic bullshit if you re eager to build an organization that can outrun change and outperform expectations if you believe every team member deserves the chance to do something extraordinary then this book s for you

Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change
