Box Office ,1962 **How to Run a Small Box Office** Kirsten Beck,1980 This is the first in an Ooba monograph series providing practical assistance for Off Off Broadway theatres This booklet gives basic procedures for operating an Off Off Broadway box office serving a general admission theatre with 100 seats or less Small music dance multi media performance groups and community arts organizations will also find the information given here helpful Topics covered include tickets physical set up reservations sales and box office closing While the main purpose of any box office is to distribute tickets it must also serve as a control to make possible an accurate accounting system for tickets purchased and money received In addition the box office is a potent public relations tool for any theatre it is often the only place where the audience meets a personal representative of the theatre If your box office is well run you can quickly answer these questions 1 Why is there so little cash to deposit when the reservation book indicated the house was nearly sold out last night 2 How much money did we take in last night Last week During the last production Last season 3 What percentage of this season s ticket sales was full price How does that compare to last season s figures 4 What percentage of the audience buys tickets with Theatre Development Fund TDF Vouchers see footnote p 38 Does that have mailing list implications 5 Are we fulfilling City and State regulations 6 Do we have accurate records for an auditor funding source or legal authority that demonstrate the existence of adequate procedures and controls **Intimacy Idiot** Isaac Oliver,2016-06-14 The author uses sketches vignettes lists and diaries to describe his life as a single gay man in New York from his childhood to his many messy relationships **If I Can Make It There, I Can Make It Anywhere** M. Stefan Strozier,2017-03-10 In this comprehensive first and one of its kind book playwright and producer M Stefan Strozier will guide you through how to produce a play or a musical in New York or Regional Theater and how to become a professional producer yourself The author will explain how to successfully produce theater on a shoestring based on real experience and budgets in New York where he was able to mount full productions at a tenth of what everyone else was doing All aspects of theater are covered in great detail from acting to lights to finding investors and much more Every obstacle is anticipated and given a solution Tips and information are included on obtaining 501c3 non profit status and operating a non profit theater company **The Roaring Girl** Thomas Middleton,Thomas Dekker,1987 Ward was in a New York banking family brother of Julia Ward Howe married into the Astor family was in the Gold Rush involved in the social life of New York and London and was an epicure He was also a very powerful lobbying influence on Congress and an author His family connections and friends were prominent in many fields **Media and Entertainment Industry Management** Sunghan Ryu,2024-04-19 The media and entertainment industry MEI differs significantly from traditional industries in many respects Accordingly the management of strategy marketing and other business practices in the MEI necessitates a unique approach Sunghan Ryu offers students focused and relevant insights into critical topics illustrated by vivid examples from the MEI Unlike typical introductory textbooks on business and management

this book does not overemphasize complicated layers of theory. Instead, it presents essential concepts and frameworks in a digestible manner and supplements them with opportunities to apply this knowledge to real world cases. The textbook demonstrates how knowledge can be constructively implemented in business and management scenarios. It is structured into 12 chapters divided into five core modules: 1 Overview of the MEI, 2 The Fundamentals of Management, 3 Marketing Management, 4 Digital Business and Management, and 5 New Business Models and Entrepreneurship. Students will gain the ability to explain key concepts and frameworks across core business and management domains and develop analytical skills through diverse real world cases in the MEI. Based on this knowledge, they will be equipped to identify management related issues in the MEI and arrive at practical and effective solutions. This book is an essential guide for students who wish to understand business and management in the dynamic world of the MEI.

Communication, Public Opinion, and Globalization in Urban China Francis L.F. Lee, Chin-Chuan Lee, Mike Z. Yao, Tsan-Kuo Chang, Fen Jennifer Lin, Chris Fei Shen, 2013-10-08 As China is increasingly integrated into the processes of economic political social and cultural globalization important questions arise about how Chinese people perceive and evaluate such processes At the same time international communication scholars have long been interested in how local national and transnational media communications shape people's attitudes and values Combining these two concerns this book examines a range of questions pertinent to public opinion toward globalization in urban China To what degree are the urban residents in China exposed to the influences from the outside world How many transnational social connections does a typical urban Chinese citizen have How often do they consume foreign media To what extent are they aware of the notion of globalization and what do they think about it Do they believe that globalization is beneficial to China to the city where they live and to them personally How do people's social connections and communication activities shape their views toward globalization and the outside world This book tackles these and other questions systematically by analyzing a four city comparative survey of urban Chinese residents demonstrating the complexities of public opinion in China Media consumption does relate though by no means straightforwardly to people's attitudes and beliefs and this book provides much needed information and insights about Chinese public opinion on globalization It also develops fresh conceptual and empirical insights on issues such as public opinion toward US China relations Chinese people's nationalistic sentiments and approaches to analyze attitudes toward globalization
