American calendar Jack Santino has put together the first collection of essays to examine the evolution of Halloween from its Celtic origins through its adaptation into modern culture Using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how Halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival Its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre Christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds However the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque Halloween and other Festivals of Death and Life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our

understanding of Halloween as a rich and diverse reflection of our society s past present and future identity *The Doorman* Chris Pavone, 2025-05-20 A pulse pounding novel of class privilege sex and murder from the New York Times bestselling author of *Two Nights in Lisbon* and *The Expats* Chicky Diaz is everyone s favorite doorman at the Bohemia the most famous apartment house in the world home of celebrities financiers and New York s cultural elite Up in the penthouse Emily Longworth has the perfect looking everything all except her husband whom she d quietly loathed even before the recent revelations about where all the money comes from But his wealth is immense their prenup is iron clad and Emily can t bring herself to leave him Yet And downstairs in 2a Julian Sonnenberg who has carved himself a successful niche in the art world and led a good half century of a full and satisfying cosmopolitan life has just received a devastating phone call that does nothing at all to alleviate his sense that probably for better and worse he has aged out and he s just not that useful to anyone any more Meanwhile gathered in the Bohemia s bowels the building s almost entirely Black and Hispanic working class staff is taking in the news that that just a few miles uptown a Black man has been killed by the police leading to a demonstration a counterdemonstration and a long night of violence across the tinderbox city As Chicky changes into his uniform for tonight s shift he finds himself breaking a cardinal rule of the job tonight he ll be carrying a gun bought only hours earlier but before he knew of the pandemonium taking over the city Chicky knows that there s more going on in his patch of sidewalk in front of the Bohemia than anyone s aware of Tonight in the city enemies will clash loyalties will be tested secrets will be revealed and lives will be lost
