Emerging Federal Structures in the Post-Cold War Era Soeren Keil, Sabine Kropp, 2022-05-18 This book conceives federalism not as a static institutional architecture but as a dynamic formation always in flux This may entail

processes of federalization but in some cases also lead to defederalization. It looks at emerging federal structures worldwide and analyses federal structures, their emergence, operation and categorization. The contributors highlight that the emergence of these federal structures has multiple facets from the recognition of ethnic diversity to the use of federalism as a tool of conflict resolution. Identifying and categorizing processes of federalization and defederalization in a variety of cases, the book provides much needed empirical and theoretical discussion on emerging federal structures and the changing nature of federalism in the post Cold War era.

The Politics of Federalization in Myanmar Dulyapak Preecharush, 2023-02-24
This book examines the trajectory of federalization in Myanmar's political development, evaluating the attitudes of different political actors toward and negotiation strategies for designing federalism. It argues that three factors drive federalization in Myanmar: namely, constitutionalization, conflict management, and democratization. The confluence of these forces arrived at a critical juncture in 2011, the start of Myanmar's political transition, leading to significant changes in Myanmar's federation process. By analyzing the changes and continuities in federalism, building the book charts the dynamic pathway toward Myanmar's current federalization, revealing how periods of progress and stagnation reflect varying world views and the individual strategies of prominent political actors. Offering a systematic conceptual framework on federalism in Myanmar, this will be a useful resource for students and scholars of Political Science, Comparative Politics, and Southeast Asian Politics.
