The Keefe D Confession Story TJ Clemons,2023-12-28 The arrest of Duane Keith Davis has opened up a door from 30 years ago in the past that can no longer remain closed The real question that remains to be answered is who else will get caught up in this storm from the past indiscretions of both Sean Puffy Combs and Marion Suge Knight Only time will tell how

this entire situation will play out with it It is truly a testament to the fact that real life is often stranger than fiction And the Keefe D Confession Story definitely lives up to the hype The streets have been telling this story over and over again adding more and more detailed information as it continues to be passed down from generation to generation over the past 30 years The drama continues to unfold right here before our eyes Keefe D is one of the greatest storytellers in this epic journey towards the real life story behind the murders of both Tupac Shakur and Christopher Wallace He has continued to snitch on himself and confess to being directly involved with the Tupac Shakur drive by shooting that ultimately resulted in the rap star s death Keefe D has continuously given detailed accounts of his participation in the plot to murder Tupac Shakur and Suge Knight from the beginning planning stages until they tried to cover up the whole entire crime He even ended up claiming that he passed the murder weapon to Big Dre who he then claims passed it on to his nephew Orlando Anderson the alleged shooter Big Dre is actually rumored to be the actual shooter and was even allegedly bragging about pulling the trigger on Tupac Shakur but Keefe D is so caught up in the clout and infamy of him and his nephew Orlando Anderson as being known as the actual TUPAC KILLERS that Keefe wants that story to be historically accurate no matter how it went down in those Las Vegas streets that fateful September night And he is also on a mission to get Sean Puffy Combs caught up in the drama of the Tupac murder conspiracy for his solicitation in the amount of 1 Million dollars to eliminate his west coast rivals and enemies Suge Knight and Tupac Shakur Puffy allegedly paid Terrance Brown for the hit and Pac and Suge but Zip double crossed Keefe D Orlando Anderson and the rest of the South Side Crips and used the money to finance a record label and a nightclub called The Zip Code located in Harlem New York Duane Keith Davis is obviously out for revenge recognition and notoriety as the TUPAC KILLER And he is also looking to extract a venomous amount of retribution and retaliation on the executive producer of Bad Boy records for slighting him and not fulfilling all of the terms of his murder for hire contract of Tupac Amaru Shakur and Marion Suge Knight respectively

Compton Street Legend Duane 'Keefe D' Davis, Yusuf Jah, 2019-05-05 The infamous Suge Knight former Death Row Records CEO and Keefe D are the only living eyewitnesses to the deadly confrontation on the Las Vegas strip between the occupants of our two vehicles A violent confrontation that led to the deaths of two of Hip Hop s biggest stars Tupac Shakur a real gangster that did the shit that real gangsters do He rose up the gang banging ranks to become a shot caller for the notorious Southside Compton Crips while running a multi million dollar multi state drug empire Keefe D has been a central figure in both the Tupac Shakur and Biggie murders for the past 20 years COMPTON STREET LEGEND will add valuable information about two of the biggest unsolved crimes in American history It will serve as the missing piece of the puzzle that Hip Hop Fans have been waiting for On the surface COMPTON STREET LEGEND will look like a story based on violence and hate it is actually a story about Love Family Brotherhood Loyalty Trust and Honor It s time to set the story straight Fasten your seatbelts *TUPAC SHAKUR and the NOTORIOUS B. the Rap Music Scene In his short life Tupac Shakur became a figure of heroism in the world of hip hop Despite rap culture s association with violent and aggressive living Shakur preached that the hardships of the street lifestyle were something that could be changed if feuds and disagreements were solved without violence Shakur s life would come to a tragic end in September 1996 An unknown perpetrator fired at Shakur from a vehicle as he was parked up on a Las Vegas sidewalk He was rushed to hospital but would succumb to his wounds six days later He was only 25 years old While Shakur was the prominent face of the West Coast hip hop scene along with fellow rapper Dr Dre the East Coast scene was fronted by fellow legendary rapper Christopher Wallace aka The Notorious B I G In February 1997 Christopher Wallace was shot at on the streets of California by an unknown perpetrator In a very similar manner to Shakur his killer pulled up alongside Wallace s vehicle and fired four rounds into Wallace s chest Thirty minutes later Wallace was pronounced dead He was 24 years old This is the story of rap s murder problem and the violence and aggression that have plagued the genre for decades With two of its brightest stars cut down in their prime this book uncovers the seams of murder and violence underpinning gang and rap culture

Notorious C.O.P. Derrick Parker, Matt Diehl, 2006-08-08. Traces the story of the NYPD officer who solved the murders of Tupac Shakur and other famous hip hop artists describing the establishment of a hip hop crime special force and the relationship between hip hop culture gangs and drugs. **The Murders of Tupac and Biggie** Sue Bradford

Edwards, 2019-12-15. Discusses the murders of famous rappers Tupac Shakur and Notorious B I G. **The Murder of Biggie Smalls** Cathy Scott, 2000-10-11. The Notorious B I G exploded onto the hip hop scene with his platinum selling album Ready to Die in 1995. The life of B I G a.k.a. Biggie Smalls born Christopher Wallace had come a long way from the years spent in his Bed Sty neighborhood in Brooklyn New York where he dropped out of school at age seventeen to pursue the culture of the street and master his rapping style. It was on the street that Smalls began emceeing his original raps and was discovered by Sean Puffy Combs who recognized Smalls's potential and took his gangsta image to the next level. Within a few years he moved from the street to two successful rap albums several million dollars in earnings a Billboard Music Award in 1996 for Rapper of the Year a marriage to R B singer Faith Evans a very public affair with Lil Kim and hanging with Tupac Shakur Marion Surge Knight Puff Daddy and Mary J Blige. Despite becoming king of his world Smalls didn't leave the life he rapped about behind. During his two year rise up the charts he had several run ins with the law on charges ranging from assault to drugs and weapons possession. In 1994 both he and Combs were accused publicly by Suge Knight and Tupac's camp of setting up the shooting of Tupac Shakur a charge they both vehemently denied. The high life was brought to an end on March 9 1997 after Biggie attended the Soul Train Awards in Los Angeles Smalls was gunned down in his car much like friend turned enemy Shakur had been six months earlier. Three years after Smalls's death the police still have not made an arrest and despite their early confidence that the case would be solved quickly his murder continues to raise more questions than it answers. Respected journalist Cathy Scott has traveled from Las Vegas to New York and Los Angeles interviewing those involved with Smalls and reviewing court documents and police reports surrounding the case in order to tell the real story of the murder of Biggie Smalls. The Murder of Biggie Smalls uncovers what those around Smalls and Shakur don't want to be revealed including The possibility that Smalls may have owed a gang money and was killed to collect on the debt. That Puffy

Combs Smalls's record producer may have hired Crips members as bodyguards who in turn killed Smalls over a financial beef That Combs may have been the intended victim instead of Smalls The investigation into Suge Knight Tupac Shakur's record producer and the suspicion that he may have masterminded Smalls's murder from his California prison cell Smalls's mother's belief that the federal government was involved in the murder and that police have conspired not to solve the crime Why many surrounding Smalls feel the police have neglected the case to the point of letting the murderer get away while being unwilling to offer any information themselves or assist the police in their efforts *They Killed Notorious B.I.G.* Sayeed Benin,2021-01-25 The Tupac Shakur ambush shooting and robbery at Quad Recording Studios in New York City on November 30 1994 set off a course of events that is directly associated with the murder of Christopher Notorious B I G Wallace No matter who pulled the trigger the murder of Christopher Notorious B I G Wallace was negatively associated with both the November 30 1994 ambush styled shooting and the September 7 1996 fatal drive by shooting of Tupac Shakur New York City's main characteristics are its physical size population density and pace There are other locations in the United States that rival New York's physical landscape but none come close to its vibrance and intensity New York City had been known as a music town for a long time while Los Angeles was mainly associated with the television and film industry At one time it seemed like every square block of Manhattan housed a recording studio The city was always wide awake and active 24 hours per day That work ethic reflected the impact that the music industry had on the town Right before he was murdered Notorious B I G was arguably on his way to becoming the most successful Hip Hop artist in Rap music Hip Hop purists respected B I G's lyricism Music industry executives respected Biggie's ability to consistently deliver chart topping hit records After the murder of Tupac Shakur Los Angeles California should have represented a premonition of death and destruction for Sean Puffy Combs and Christopher Notorious B I G Wallace Sean Puffy Combs did not recognize the danger they faced Combs moved throughout Los Angeles like a child who is stumbling down the street because they had not grown into their oversized shoes 1990s New York City had changed in ways that some people did not see Those changes started in the late 1960s and eventually turned the city into something different Other events contributed to the way New York had changed Those changes allowed the Quad Recording Studios shooting of Tupac Shakur to happen and possibly triggered the murder of Christopher Wallace **Notorious C.O.P.** Derrick Parker,2006 Traces the story of the NYPD officer who solved the murders of Tupac Shakur and other famous hip hop artists describing the establishment of a hip hop crime special force and the relationship between hip hop culture gangs and drugs
