Turner, 2016-03-03 The use of irony in music is just beginning to be defined and critiqued although it has been used implied and decried by composers performers listeners and critics for centuries Irony in popular music is especially worthy of study because it is pervasive even fundamental to the music the business of making music and the politics of messaging Contributors to this collection address a variety of musical ironies found in the notes themselves in the text or subtext and through performance reception and criticism The chapters explore the linkages between irony and the comic the tragic the remembered the forgotten the co opted and the resistant From the nineteenth to twenty first centuries through America Europe and Asia this provocative range of ironies course

through issues of race religion class the political left and right country punk hip hop folk rock easy listening opera and the technologies that make possible our pop music experience This interdisciplinary volume creates new methodologies and applies existing theories of irony to musical works that have made a cultural or political impact through the use of this most multifaceted of devices

The Political Influence of Pop Music. An Analysis of Michael Jackson's "They Don't Really Care About Us" Mohamed Rhounan, 2015-12-07 Seminar paper from the year 2015 in the subject American Studies Miscellaneous grade 2.0 University of Wuppertal language English abstract The thesis of my work is that pop music can be used as a medium of political messages But what is actually pop music Can this genre be used to spread a political message And why is the influence of the media so important in this case In the following I will introduce the phenomenon of pop music and try to give a definition Furthermore I will discuss the question whether the lyrics of pop music can be considered as poetry or not After that we take a closer look on a model that illustrates the relation between pop culture and politics At the end of my work I will discuss the political role of pop music with the help of the famous song They don't really care about us by Michael Jackson Everybody knows pop music It is a genre of popular music that found its way into the Western world during the 1950s and 1960s deriving from rock and roll Its big influence in the Western world is quite remarkable It is so remarkable that when it comes to the definition of what music in general is people start to think automatically about Pop music This genre has become one of the most influential music forms in the world But still there are songs like They don't really care about us from Michael Jackson that show the political side of Pop music The pop culture is a voice that communicates within the mainstream of the Western culture It contains ideas perspectives and attitudes towards the everyday lives of the society
