Imagined Neighbors Frank Feltens,2024-07-30 Welches Bild von China hatten japanische Künstler vom späten 17. Jahrhundert als ihr Land sich gegen die Welt abschottete bis zur Öffnung im Zuge der Modernisierung ab der Mitte des 19. Jahrhunderts Der Band untersucht vorrangig Darstellungen in der japanischen Malerei vom späten 17. bis zum 20. Jahrhundert die China als realen Ort ebenso wie als imaginäres gelobtes Land zeigen In drei Essays renommierter japanischer Kunsthistorikerinnen und berufsnaher Katalogeinträge zu ähnlichen Werken werden die komplexen Reaktionen der Kunst Japans auf die chinesische Kunst Geschichte und Kultur offenbar Eine Handvoll wissenschaftlicher Studien hinterfragt in jüngerer Zeit das etablierte Narrativ das moderne Japan habe sich allein am Westen orientiert Diese verbreitete Vorstellung von einem ausschließlich westlich inspirierten heutigen Japan thematisiert Imagined Neighbors Mit einem nuancierteren Ansatz bemüht sich der Band die schwierige Ausöhnung zwischen Alt und Neu im Zuge der Neuerfindung des modernen Nationalstaats Japan zu verstehen *Art by the Book* J. P. Park,2016-06-01 Sometime before 1579 Zhou Lujing a professional writer living in a bustling commercial town in southeastern China published a series of lavishly illustrated books which constituted the first multigenre painting manuals in Chinese history Their popularity was immediate and their contents and format were widely reprinted and disseminated in a number of contemporary publications Focusing on Zhou's work *Art by the Book* describes how such publications accommodated the cultural taste and demands of the general public and shows how painting manuals functioned as a form in which everything from icons of popular culture to graphic or literary cliché was presented to both gratify and shape the sensibilities of a growing reading public As a special commodity of early modern China when cultural standing was measured by a person's command of literati taste and lore painting manuals provided nonelite readers with a device for enhancing social capital **Folk Art and Modern Culture in Republican China** Felicity Lufkin,2016-01-21 Folk art is now widely recognized as an integral part of the modern Chinese cultural heritage but

in the early twentieth century awareness of folk art as a distinct category in the visual arts was new Internationally intellectuals in different countries used folk arts to affirm national identity and cultural continuity in the midst of the changes of the modern era In China artists critics and educators likewise saw folk art as a potentially valuable resource perhaps it could be a fresh source of cultural inspiration and energy representing the authentic voice of the people in contrast to what could be seen as the limited and elitist classical tradition At the same time many Chinese intellectuals also saw folk art as a problem they believed that folk art as it was promoted superstitious and backward ideas that were incompatible with modernization and progress In either case folk art was too important to be left in the hands of the folk educated artists and researchers felt a responsibility intervene to reform folk art and create new popular art forms that would better serve the needs of the modern nation In the early 1930s folk art began to figure in the debates on social role of art and artists that were waged in the pages of the Chinese press the first major exhibition of folk art was held in Hangzhou and the new print movement claimed the print as a popular artistic medium while for the most part declaring its distance from contemporary folk printmaking practices During the war against Japan from 1937 to 1945 educated artists deployed imagery and styles drawn from folk art in morale boosting propaganda images but worried that this work fell short of true artistic accomplishment and pandering to outmoded tastes The questions raised in interaction with folk art during this pivotal period questions about heritage about the social position of art and the exercise of cultural authority continue to resonate into the present day
