My Body Is A Temple Yoga As A Path To Wholeness:

My Body Is A Temple Christina Sell, 2011-12-13 With the freshness of a memoir author and yoga teacher Christina Sell draws upon her first visit to an extraordinary temple in southern India to present basic principles of yoga Beyond the ordinary aims of yoga as a means of stretching and strengthening or even for being happier or more centered My Body is a Temple is an instruction manual for dedicating oneself to a life of the spirit in and through the vehicle of the human body The body as a temple is a common metaphor within many spiritual traditions In this book Christina Sell delves into the how and why of this widely accepted comparison My Body Is a Temple will encourage readers to listen to and honor the body and to enter more fully into their everyday lives to see that each activity contains a Divine blueprint for success It will help any yoga student to reclaim the raw materials and energy always already present to build his or her body as a temple to provide refuge and sanctuary for themselves and inspiration for others While the author's tradition is that of Anusara Yoga a strongly heart centered approach the book is written for any hatha yoga aspirant or practitioner Her commitment is to traditional yogic practices and ideals without being rigid My Body Is a Temple is a vital and realistic treatment about the process of human change and transformation Beyond Fitness Yoga is a Means of Self Honoring and Spiritual Transformation This book will be well used by both students and teachers of yoga It should be included in all yoga and fitness centers and in popular library collections [The Making of a Yoga Master](#) Patañjali, Suhas Tambe, 2012 Presenting a new sequence of Patanjali's yoga sutras Cover

A Deeper Yoga Christina Sell, 2019-06-01 Christina Sell knows the difference between a surface buzz in the yoga business for a better more beautiful ME and its roots as an ancient practice of ethical life and spiritual transformation With over twenty five years on the mat her voice of courage and sanity has never stopped urging yoga students and teachers alike to take a deeper dive to confront media hype about body image and the promise of any quick fix in favor of a lifelong commitment to wholeness and freedom This book is both an epitome of that call and a practical guide to ongoing self discovery As the author of two previous books Yoga From the Inside Out 2003 and My Body Is a Temple 2013 Christina Sell holds an international reputation as a gifted and compassionate teacher and trainer of yoga As a former gymnast who dealt with eating disorders and addictions in her early years Christina knows how to redirect thoughts and habits of negative body image toward spiritual practice and inner awakening A Deeper Yoga is for any practitioner or teacher who wants tools and support in finding a loving expanded relationship with his or her body mind emotions and spirit Her book is for anyone on the path of yoga Newer yoga students will benefit from the compassionate explanations of the inner journey and find direction in building a stronger foundation of practice Experienced yoga practitioners will find a refreshing and honest exploration of both the hype and the heart of the work Teachers of all traditions will benefit from the ongoing reminder that yoga is not only for the body but for transformation of consciousness and spiritual unfolding This is a book for the long haul A Deeper Yoga is uniquely aimed at practitioners who initially found help from yoga but who are now experiencing impatience discouragement

or even disillusionment It leads the reader to yoga s more esoteric teachings using language without jargon or unnecessary details The tone is compassionate yet strong and authoritative inviting us to empower our own deeper knowing yet without watering down the traditional teachings Topics of body image self hatred eating disorders addiction and emotional imbalance are considered throughout Christina skillfully dismantles the illusions and early conditionings that lead to unrealistic norms of perfection and empower a media driven standard of beauty A Deeper Yoga offers an alternative view of genuine beauty

Finding More on the Mat Michelle Marchildon, 2015-05-11 Practicing yoga is an invitation to live up to our potential as human beings So our mat becomes a catalyst for transformation When we assume a yoga pose it is not necessarily the shape of the body that counts Rather it is a chance to create an offering of the highest intention in our hearts Practicing becomes our path as we grow not just older but better wiser and stronger We become so much more both for ourselves and for those we love every time we surrender to something greater like Grace Grace is in many ways reflective of the attitude we bring to the mat It is the difference between a yoga practice that leaves you radically transformed and an exercise class It s the difference between feeling full of hope and potential or feeling like a schmuck Our attitude creates the distinction between growing better wiser and stronger on the mat or afraid that we re going to die every time we bend over In the beginning the author explains I did not know that I needed Grace After all I had gone through the better part of my life without anything nearly looking like Grace You should see me dance or sing Oh my God A goose suffering an epileptic attack would describe my attempts at being graceful I would never be mistaken for a soul sister Then one day on my mat struggling for the millionth time to touch my toes I gave up I said To hell with it And that s when it happened The tension in my body released and I lowered down another six inches toward the floor I got so excited I almost pulled a hamstring All the years I had been practicing yoga I thought what I needed to touch my toes and to get better in general was more effort But in fact I needed more Grace Living with ease is Grace Living with forgiveness and acceptance is Grace Taking the good with the bad is Grace Saying yes first rather than no is Grace Trying new experiences with a light heart is Grace Knowing that we are filled with forgiveness just because we were born is Grace You will need equal parts of redemption and emancipation to find transformation which is not easy Today the author explains I am stronger and more vibrant than ever before I hauled my tired old ass out of a steep depression to live a better life I hope to make the second half of my life my best achievement yet The journey begins with Grace
