

# My Big, Fat, Wonderfully, Wealthy Life

This is a comprehensive document that serves as a single source resource for information that was captured from the information forums, blogs and websites dedicated to educating Dinarians about how to handle new wealth. As stated on all sites, this for informational purposes only. It is highly recommended that EVERYONE seeks local professional, licensed advisers to suit your needs.

I have no personal claim on any of the information presented. It is not my intellectual property. I only collected what was already posted by others and put it in a manual in what I believe to be a logical, easy to read and understand format. You have my permission to send, post, and duplicate the document as you see fit. **This book is not to be sold. We are millionaires; the hustle is over!**

*With all of the research that has been done and provided, I'm still curious about what the already wealthy do with their money. Surely the ridiculously wealthy like The Rockefellers, The Trumps, The Michael Jordans and the Tyler Perrys of the world don't have accounts at so many banks and aren't worried with all the things that we are fretting over! I hope we're not making much ado about nothing!*

*Welcome to the land of the wealthy.*
