*Slap Shot* Kat Mizera, 2022-03-22 Welcome to Fort Lauderdale where the days are hot and the Knights are hotter Vaughn I might be at the top of my game but a fresh start feels like the right move at this stage of my career Joining the Lauderdale Knights has been a great decision and I m ready to win this city over On opening night the crowd goes wild and so does my slap shot Knocking a fan unconscious wasn t the introduction I envisioned Especially when I lay eyes on my gorgeous victim Problem is she s engaged Juliet Waking up with a concussion and amnesia has made me realize that when it comes to living life on my terms it s now or never My big Italian family means well but it s time for them to stop calling the shots Now if I could just get rid of my fianc quit my job and stop drooling over the hottie hockey player who knocked some sense into me life would be perfect Except nothing in my life is perfect not even Lauderdale s newest MVP Professional Hockey in Philadelphia Alan Bass, 2020-09-09 Philadelphia has been a hockey town since 1897 Before and even during the Philadelphia Flyers tenure other teams the Ramblers the Quakers and the Firebirds among others called the city home for better or for worse The first of its kind this comprehensive history covers the teams and players that graced the ice from the turn of the 20th century through the 2009 demise of the Philadelphia Phantoms Offering something for every Philly hockey fan the author tells the stories of the 10 pro teams that played the world s fastest game in the City of Brotherly Love The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games leach year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL s fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league s ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chonicle that no serious hockey fan will want to be without **Right of Passage** Deborah Richmond Foulkes, 2011-05-27 RIGHT OF PASSAGE What the Dead say about Reincarnation is Deborah

Richmond Foulkes fifth book written with Spirit It is the culmination of twelve years of research including nearly four years spent in Scotland and England validating the messages the author received from Spirit through original documents and contemporary accounts from the 13th and 14th centuries The author has combined her academic acumen for historical research with her training as a Spiritual medium In this book Deborah features several lifetimes of over a dozen souls through information disseminated from Spirit in a new way The messages from Spirit came through Deborah s own mediumship as well as the Spirit communication of other well known Mediums Accounts of several of her readings were featured in books by others including Psychic Medium Lydia Clar with her book OUT OF DARKNESS INTO LIGHT Spiritual Medium Robert Brown s first book WE ARE ETERNAL and Trance Medium Suzane Northrop s book EVERYTHING HAPPENS FOR A REASON Deborah also received substantial validation of her work during a public demonstration of Spirit Communication at the Virginia Beach retreat sponsored by Robert Brown His special guest and friend medium John Edward came to Deborah with information that substantiated her own messages from Spirit as well as her validating historical research Deborah Richmond Foulkes is a Spiritualist in the footsteps of her great great grandmother Elizabeth Foster and her cousin Horace Greely who were early supporters of Spiritualism Deborah became a Certified Medium in the Spiritualist church But while communication with the so called dead is accepted among Spiritualists the concept of multiple incarnations is not In 2000 Deborah received her first clue about a past life in Scotland She was able to verify the information from her guide in Spirit through original documents Other Spirit in her circle began to come forth with proof of their medieval lifetimes Then in 2006 the Spirit known as Archibald Douglas revealed a more recent lifetime as a young man David Lee who grew up in western Pennsylvania and became a United States Marine I died in a jeep accident landmine Dave explained That piece of evidence was the first link to a second lifetime that ended in 1968 for the same soul who incarnated in 1296 in Scotland The author was able to validate through research that the soul had the same personality with the identical core values whether he was 2nd Lieutenant Dave Hopkins USMC or Sir Archibald Douglas Regent of Scotland That important step meant for Spiritualists that the soul is the same lifetime over lifetime Others in Spirit began to come forward with their evidence of survival And each time Deborah was able to find historical evidence to validate their claims The author was also able to show that the soul was identical in each ensuing incarnation As a breakthrough book on Reincarnation written with Spirit and validated with historic research Deborah Richmond Foulkes shares discoveries we all can both understand and believe
