Collecting and the Internet Susan Koppelman,Alison Franks,2014-10-01 The Internet has had a

profound effect on collecting because of the Web collectibles are now more readily available collections more easily displayed for a wider audience and collectors online communities are larger and often quite intimate In addition the Web has added new items to the pantheon of collectibles including digital bits that whether considered virtual or material are nevertheless collectible In this work essays discuss the age old habit of collecting and its modern relationship with the Internet Topics include individually authored websites online auctions watches eyewear Kelly dolls the gambler s rush of online acquisition mp3s collecting friends via online social networking sites and online museums among others

Electronic and Mobile Commerce Law Charles Wild, Stuart Weinstein, Neil MacEwan, 2011-04 This text is unique in bringing together the many disparate aspects of what is variously called internet law cyber law or electronic commerce e commerce law Included is the law relating to online contracts and payment systems electronic marketing and various forms of cybercrime as well as the regulation of electronic communications networks and services Insights are also given into emerging areas such as internet libel online gambling virtual property cloud computing smart cards and electronic cash as well as the growing use of mobile phones to perform tasks previously carried out

The Know-It-Alls Noam Cohen, 2018-01-04 The world s tech giants are at the centre of controversies over fake news free speech and hate speech on platforms where influence is bought and sold Yet at the outset almost everyone thought the internet would be a positive democratic force a space where knowledge could be freely shared to enable everyone to make better informed decisions How did it all go so wrong Noam Cohen reports on the tech libertarians of Silicon Valley from the self proclaimed geniuses Jeff Bezos Peter Thiel Reid Hoffman and Mark Zuckerberg to the early pioneers at Stanford University who have not only made the internet what it is today but reshaped society in the process It is the story of how the greed bias and prejudice of one neighbourhood is fracturing the Western world

The Tribes of Burning Man: How an Experimental City in the Desert Is Shaping the New American Counterculture Steven T. Jones, 2011 Burning Man is the premier countercultural event of modern times growing over 25 years from a strange San Francisco beach party into an experimental city of 50 000 colorful souls in Nevada s Black Rock Desert which burns brightly for a week before dissolving into dusty memories and changed lives Longtime newspaper journalist Steven T Jones embedded himself in this blossoming culture starting in 2004 a dispiriting year for American politics but the beginning of Burning Man s renaissance when it exploded outward in unexpected ways The result is the most in depth book ever written on this intriguing social phenomenon *The Tribes of Burning Man How An Experimental City in the Desert is Shaping the New American Counterculture* which is being released in January 2011 by CCC Publishing From covering the Borg2 artists rebellion to learning how to make large scale fire sculptures with the Flaming Lotus Girls from helping Opulent Temple showcase the world s best DJs to cleaning up after Hurricane Katrina with Burners Without Borders from regularly interviewing event founder Larry Harvey to covering Barack Obama s nominating convention speech Jones gives readers an inside meticulously reported look at a time when Burning Man hit its zenith just as the country hit its nadir

Hundreds of thousands of people from all over the world have made the dusty pilgrimage to Black Rock City to take part in this experiment in participatory art commerce free culture and bacchanalian celebration and many say their lives were fundamentally changed by this truly unique experience

Founders at Work Jessica Livingston,2008-11-01 Now available in paperback with a new preface and interview with Jessica Livingston about Y Combinator Founders at Work Stories of Startups Early Days is a collection of interviews with founders of famous technology companies about what happened in the very earliest days These people are celebrities now What was it like when they were just a couple friends with an idea Founders like Steve Wozniak Apple Caterina Fake Flickr Mitch Kapor Lotus Max Levchin PayPal and Sabeer Bhatia Hotmail tell you in their own words about their surprising and often very funny discoveries as they learned how to build a company Where did they get the ideas that made them rich How did they convince investors to back them What went wrong and how did they recover Nearly all technical people have thought of one day starting or working for a startup For them this book is the closest you can come to being a fly on the wall at a successful startup to learn how it s done But ultimately these interviews are required reading for anyone who wants to understand business because startups are business reduced to its essence The reason their founders become rich is that startups do what businesses do create value more intensively than almost any other part of the economy How What are the secrets that make successful startups so insanely productive Read

this book and let the founders themselves tell you
