Every Screen on the Planet Emily Baker-White, 2025-09-30 The story of the most effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for our information landscape and the technological cold war between the United States and China Emily Baker White s engrossing narrative charts TikTok s rise from obscurity into the world s most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang s products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok s users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government s fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China s Xi Jinping and Trump himself No Hard Feelings Genevieve Novak, 2022-04-01 Hungover underpaid and overwhelmed this isn t where Penny expected to be as she reached her late twenties A sharp smart and witty look at adulterous Fleabag meets Sorrow and Bliss with a splash of Dolly Alderton No Hard Feelings is clever funny and surprisingly sweet and Penny captured my heart Toni Jordan I exist on validation from emotionally unavailable men biscuits and cheap wine and it s easier to get off with Max than a Tiny Teddy Penny can t help but compare herself to her friends Annie is about to become a senior associate at her law firm Bec has just got engaged Leo is dating everyone this side of the Yarra and Penny is just waiting Waiting for Max her on again off again boyfriend to allow her to spend the night waiting for the promotion she was promised waiting for her Valium to kick in Waiting for her real life to start Out of excuses and sick of falling behind Penny is determined to turn things around She s going to make it work with Max impress her tyrannical boss quit seeing her useless therapist remember to water her plants and stop having panic attacks in the work toilets But soon she s back to doomscrolling on Instagram necking bottles of Aldi s finest sauvignon blanc and criticising herself with renewed vigour and loathing As her goals seem further away than ever she has to wonder when

bad habits feel so good how do you trust what s right for you Praise for No Hard Feelings Genevieve Novak will inevitably be compared to other authors but the truth is she is herself and herself alone and that s a good thing Funny biting vulnerable and unflinching Novak s novel is like an ocean dip a bit salty very refreshing Lauren Sams Scaldingly funny and biting real No Hard Feelings deserves a warning label danger may induce binge reading With her sly wit Genevieve Novak s debut demonstrates a brilliant eye for observing the little things in life which together can be the biggest things of all Tori Haschka author of Grace Under Pressure No Hard Feelings is a gratifying warm and funny debut Books Publishing Novak has perfectly captured the self doubt and total horror of having to be happy and functional in your twenties It would have you crying into your chipped manicure if it wasn t so darn funny Kimberley Allsopp author of Love and Other Puzzles Fast Politics Laura Pérez Rastrilla,Pablo Sapag M.,Armando Recio García,2023-10-17 The goal of this book is to show the role of TikTok as a tool for political purposes To this end the authors analyse the messages posted on this social medium by political figures and institutions such as politicians and political parties their impact on political landscapes as well as the transformation of political communication techniques in order to suit the platform s features In the last two years the exponential growth of TikTok has led an increasing number of politicians and institutions to incorporate it into their communication strategies The platform displays some very different features from other social media that determine the way in which the content is presented In addition it manages to reach an audience that normally does not access or share political messages Within this context the volume pursues two main objectives First to examine how the communication techniques and the peculiarities of this social medium where short videos with actors in informal attitudes prevail affect the political message A second objective is to analyse the influence of the messages distributed through TikTok that redefine political scenarios and of the relationships of politicians and parties with voters The core of the book comprises case studies that are organised into three parts with nine chapters in all The authors are scholars and practitioners of political communication with diverse geographical representation who approach the topics from a range of methodological perspectives The first part addresses the state of the art and the influence of TikTok features on the way political communication is performed The second part discusses the influence of TikTok on electoral scenarios and political culture in India Bangladesh the United States and Ecuador Finally in the third part TikTok is analysed as an instrument for promoting far right politicians and parties in Europe as in the case of MatteoSalvini in Italy and AfD in Germany and Vox in Spain The volume is oriented to both scholars and communication professionals such as journalists communication consultants and speechwriters who want to become familiar with the platform learn about its political impact or wish to deepen their understanding of transformations in communication techniques and their adaptation to this growing social medium Chapter 2 The Moving Body as the Articulator Meme and Affective Link in Political Communication on TikTok is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) **Gender Madness** Oli London,2023-08-15 How one man s
