Photographer's Guide to the Panasonic Lumix DC-ZS200/TZ200 Alexander White, 2018-06-18 Photographer's Guide to the Panasonic ZS200 TZ200 is a complete guide to the use of the Panasonic Lumix DMC ZS200 camera which is known as the TZ200 in areas outside the United States. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the ZS200. The book explains the use of autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, and many other settings. The book discusses the camera's options for playback, setup, and customizing the operation of its controls. The book contains more than 480 color photographs showing the camera's controls, display screens, and menus. The book includes photographs taken using the many creative settings of the camera, including the Photo Style settings, the Creative Control mode, picture effects, which provide the ability to customize the appearance of images in dramatic ways, and the camera's features for burst shooting and shooting in high contrast lighting conditions. The book explains how to use the ZS200's innovative features such as Light Composition and Sequence Composition, which enable the creation of multiple exposures of scenes with bright flashes such as fireworks or motions such as sports events. The book includes a full discussion of the video recording abilities of the ZS200 camera, which offers manual control of exposure and focus during movie recording, and provides ultra-high definition 4K recording of motion pictures. The book also explains the camera's features for extracting still images from 4K video and using the Post Focus feature to select a sharply focused image after a shooting session. In three appendices, the book discusses accessories for the ZS200, including cases, power supply options, and other items, and includes a list of websites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible.

The Beginners Guide to Using the Newest Apple TV (Fourth Generation - 2015): Thomas Belle, 2015-11-05 Mac, iPhone, iPad, Apple TV. While Apple TV may not get the same press as other Apple products, that is about to change. For years, Apple TV was touted as Apple's hobby product, something they tinkered with occasionally but not something they put as much effort in as other Apple products. This guide is an introduction to the newest Apple TV released in October 2015. If you are just thinking about making the switch from cable to streaming TV, then this book will show you how. If you've already made the switch but you want to get the most out of it, then it will cover that as well. There's something for everyone here, so read on.
